Comments:

A few of us were a little offended at Ms. Richardson's comment when addressing Dr. Rossi at the board meeting on 4/11, about Westborough being "safely tucked up on the hill" and "peaceful" insinuating that Westborough doesn't have any problems to deal with. It's frustrating when someone on the board doesn't acknowledge the hard and difficult work that is done with ALL students across the WHOLE district. Each school has their own set of problems, and for someone on the board to say that Westborough "has it easy" or doesn't struggle" is extremely frustrating. I hope that the the whole board goes forward with the understanding we ALL struggle and we ALL have successes.

Board, I commend your honesty and dedication to our students. Please continue to push for decisions to be made collaboratively, based on evidence and data, and not top down. Thank you.
