SUBMITTING CEU IN TIMEKEEPER (LINQ)

NOTE: THIS IS A NEW PROCESS.

Below are directions for submitting an individual credit request in Timekeeper (LINQ). Beginning August 1, 2025 all individual CEU requests will be submitted through Timekeeper (LINQ). NOTE: NCEES will no longer be used for submitting CEUs. District staff will review the request for approval. Once approved, your CEU report in LINQ will be automatically updated.

Individual credits are defined as any PD that is not district-wide or sponsored specifically by the district. Examples include conferences and webinars.

1. Sign into Timekeeper(LINQ) and click on “Submit CEU for Approval” at the bottom of the Menu.

2. Click on “Add New” in the top right corner of the opened window.

3. Add your “Completion Date”, Training Title”, “Facilitator” or Sponsor of the training, and the number of credits. REMEMBER that each hour equals 0.1 credit. For example, a 10-hour course or workshop would be 1.0 credits.
