

Common Core State Standards

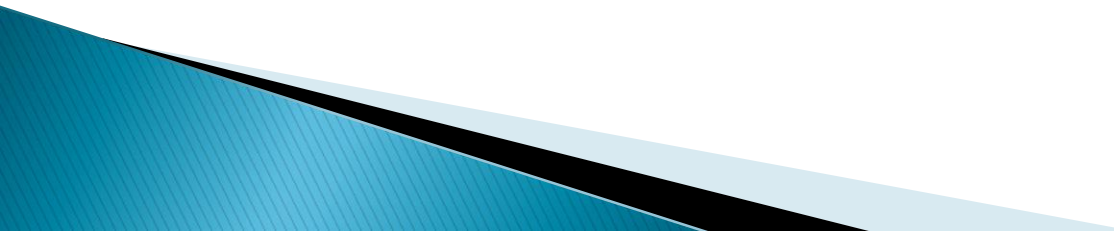

Board Presentation

Presented by: Dr. Shawnterra Moore Thomas

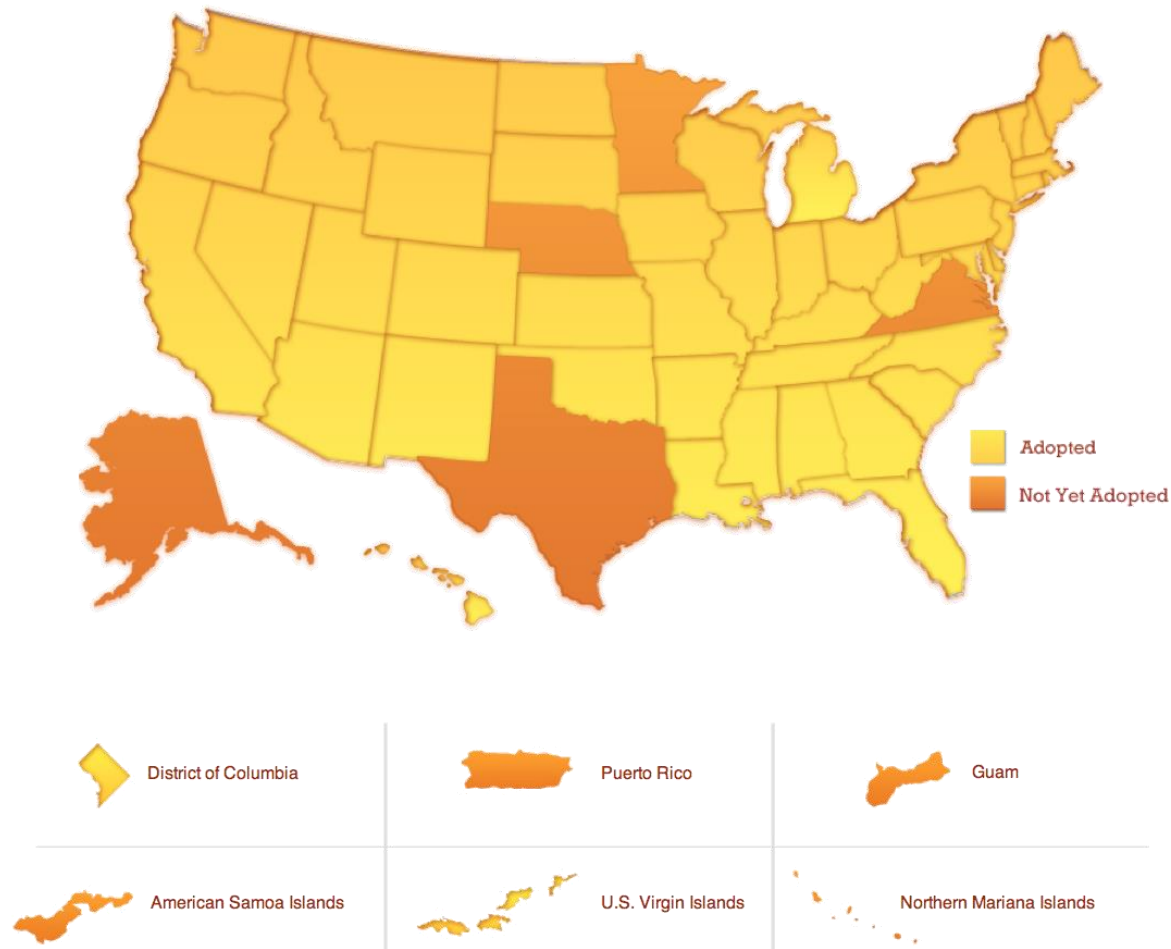

October 10, 2013

What are the Common Core Standards?

- ▶ The Common Core State Standards provide a consistent, clear understanding of what students are expected to learn.
 - ▶ The standards are designed to be robust and relevant to the real world, reflecting the knowledge and skills that our young people need for success in college and careers.
 - ▶ Assessment testing matched to the CCSS will not begin until the 2014–15 school year.
