I. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
II. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
III. Whether the teacher is teaching in the field of discipline of the certification of the teacher; IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

You may ask for the information by returning this letter to the address listed above or you may email your request. Be sure to include the following information with your request:
