

MEET THE TEACHER!

Miss Rosen

Dear Parents and Guardians,

I hope this letter finds you well! My name is Kate Rosen, and I am thrilled to introduce myself as your child's 3rd-grade teacher for the 2025-2026 school year at Park Road Elementary! I spent the past year at Mendon Center Elementary, and I am excited to join the Park Road family!

Teaching has always been my passion. It's truly about creating meaningful connections with students, fostering curiosity, and empowering them to discover their potential. Your child's education and well-being are the top priorities.

As I look forward to getting to know your child, here is a little bit about me. I am from and currently live in Fairport. I received my Bachelor's Degree from SUNY Cortland in early childhood and childhood education. I am pursuing my master's at the University of Albany in curriculum development and instructional technology.

I come from a big Italian family. My older brother Nick is a pharmacist, and he is currently living in North Carolina! During the summer, I am a camp supervisor for the Perinton Recreation Department. I truly love spending the summer with kids; it brings me so much joy.

In my free time, I love to hang out with family & friends, read, or do something crafty! I love to vacation with my parents and family to Sanibel, Florida. (Or any beach!)

Lastly, thank you for welcoming me into your child's educational experience. I am excited to be part of their growth and learning this year!

Warm Regards,
Kate Rosen
