What is a School-Parent Compact?

- “Compact” is another word for “contract” or “agreement.” The Chavez School-Parent Compact is an agreement between parents, students, and the school (teachers and staff).
- The purpose of the school-Parent Compact is to foster student achievement. The compact is to give teachers, staff, parents, and students an agreement to work together to share the responsibility of helping students meet or exceed state, district and campus academic goals.
- The compact is jointly developed and updated every year. Input shared by parents, students, and school staff is collected at Annual Title I Meetings, parent meetings, school-wide surveys, in-person comments, and discussion sessions conducted at school workshops. Comments to improve the compact are welcomed at any time during the year.

Our Goals for Student Achievement

- Chavez High School will focus on improving Reading and Writing performance for all students across all grade levels. Additionally, attention will be given to students both Meeting and Mastering state standards.
- To navigate the virtual learning environment, our campus will commit to providing technology & support to all students & staff with our virtual platforms including Office 365, ItsLearning, Microsoft Teams, and other digital resources
