Board Members' Comments

Mr. DeMoss I am just so excited and have a positive feel about where things are going. I am excited for the beginning of a new school year. I can't believe the school year is almost here and the teachers will be ready and will take them away. Mr. Durnil I am so please and happy for Jennifer and her crew. We appreciate her loyalty so much. Mrs. Jacobs I am very excited about the new changes of contract in our administration team. It is nerve wracking as a board when you have somebody steps away. I feel complete calm as myself as a board member. I feel this corporation is going to be in great hands. I know everyone will be working very hard. I know the next few years will be difficult, but I believe in all of us and we will get through this. Mr. Tucker I fee very much at comfort with the new changes. I think we are in good shape. Thanks for helping us out again Paul for a little while. Looking forward to the school year. Dana Kerr, It amazing how fast the summer goes. I feel calm and confident that we are going to have a great year this year. I always want to make sure all of you out there be very careful with the buses and things. It's always kind of rough the first couple of weeks or at least few days. So please be patient. I appreciate everyone coming out tonight. I am so glad that we are in the position we are and we've go the team we do. I think it's a successful team.
