Central Elementary – Updated Pick-Up Plan
Young 5s - Kindergarten - 1st Grade

As we continue to adjust and improve our pick up process we ask that you please read the following notice:

Beginning **Monday, August 25th**, we are making a change to our afternoon parent pick-up routine.

- **Y5, Kindergarten, and 1st grade car pick-up** will now take place in the **bus loop**.
- **Buses** will pick up students in the **front of the building**.
- **No changes will be made to 2nd-5th grade pick up.**

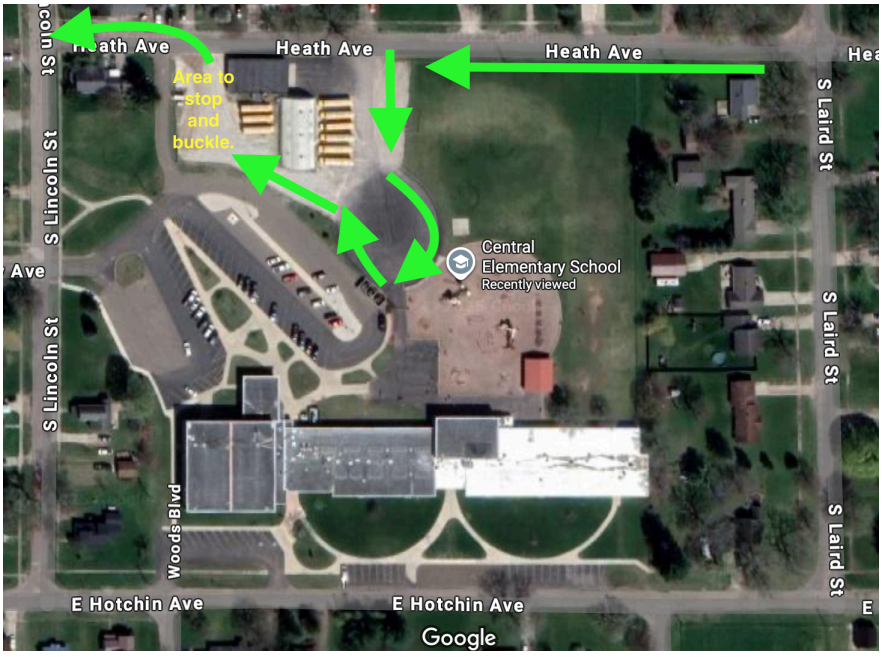
This adjustment will:

- Keep traffic on school property (instead of blocking neighborhood driveways).
- Provide a safe area for parents to **pull forward**, park briefly, and buckle their child after staff have helped them into the car.

How it will work:

1. Enter the bus loop from the **east side, down Heath Ave.**
2. Follow the signs and cones.
3. Cars will be released five at a time to move forward to pick up their student(s).

Thank you for your patience and cooperation as we work to make pick-up smoother and safer for everyone!

Important reminders:


- Do NOT block driveways while waiting.
- Please follow all traffic signs and directions from staff.
- Be patient—this system is designed to **keep everyone safe while speeding up pick-up**.
- If you're picking up a **2nd–5th grader ONLY**, please park in the parent parking lot and walk up to get your child.
