

2025-2026 Needs Assessment

The three areas of focus based on current USD 439 district needs for the 2025-2026 school year are:

- Continued support of the KESA including standards alignment
 - This may include teacher coaching opportunities such as provided by ESSDACK; more structured PLC time/focus; increased purpose driven professional development
 - Consistently high quality instruction
 - Use of high quality instruction materials

- Strengthening of partnerships with the
 - City of Sedgwick
 - Sedgwick Recreation Commission
 - local businesses and organizations
 - Sedgwick Fire and Emergency Services

- Increased student involvement in decision making and district direction
 - Unwavering support for student passion projects
 - Support of student empowerment
