 - Review the *Status* and *Missing* columns adding information to spreadsheet
 - *View Registration* for each student
 - Verify completion of *Electronic Documents* and *Final e-signatures*
 - Review and approve or upload the *NIAA Physical Form* under *Physical Documents*
 - Ensure only the *Medical Eligibility Form* (page 7) is uploaded
- **School Registration System**
 - From the student's *Registration*, review the *Athlete Profile*
 - Compare the student's school registration information to the *Athlete Profile* information in Aktivate
 - Verify the student's name and primary address match
 - Verify the student's date of birth and grade match
 - Verify insurance information is provided
 - Verify the parent(s)/guardian(s) name(s) and address(es) match
 - Verify the student's zone of attendance, if applicable
 - Review the student's *Enrollment* history in the school registration system
 - Identify how the student is enrolled in the school (e.g. affidavit of residency, out of zone waivers)
 - **Any student not enrolled at YOUR high school for 180 school days must show "transfer pending" and requires approval, including gaps in enrollment and 9th grade students.**
- **Transfers**
 - From the student's *Profile*, click on the sport *Registration > Transfer > View Transfer*
 - Verify completion of all signatures on the *NIAA Tryout Checklist*
 - Verify all *High School Check questions* and any additional questions are answered **correctly**
 - *Reject and Send Back to Athlete* or *Change Transfer Type* under *Administrator Options* for any errors
 - Verify all proper documentation is provided prior to clicking *Submit to NIAA* for approval
 - Review *Transfer History Notes* under *Administrator Options* if transfer is sent back by the NIAA
- **Grade/Credit Check**
 - Review the student's transcript or report card and verify that the student completed two units of credit (four semester courses) for the immediately preceding grading period, failed no more than one class, and earned a 2.0 unweighted Grade Point Average
 - Verify the student is currently enrolled in at least two units of credit (4 semester courses)
 - Students in 9th grade are exempt until first grading period grades/credits are posted
 - Students are eligible for eight total semesters beginning with their enrollment in ninth grade, regardless of participation
- **Students Approved by School Administration**
 - Students in 9th grade residing with both biological parents (Non Transfer Residence Verification)
 - Students who have been continually enrolled at your school for 180 school days or longer (Non-Transfer)
 - Students not enrolled at your school, but who have received previous approval by the NIAA with no changes to enrollment, guardianship, or residency (*Not A Transfer > Transfer Previously Approved*)

➤ **Temporary Guardianship (NAC 385B.712)**

- Students living with temporary guardians are ineligible for 180 school days, but may apply for hardship
- Upload the following documents:
 - Copy of the Temporary Guardianship document
 - Detailed hardship letter written by the parent/guardian giving up custody
 - Documentation to support hardship (e.g., legal documents, doctor’s letter, etc.)
 - Two proofs of residence

4. APPEAL PROCESS

➤ **Hardship (NAC 385B.024, NAC 385B.902)**

- A student may file a hardship appeal in Aktivate for most ineligible circumstances
- Administrators should communicate with the parent/guardian regarding the student being ineligible, explain the hardship appeal process, and determine if there is reasonable evidence for a hardship appeal to be submitted
- “Hardship” means an unusual circumstance that:
 - Is beyond the normal control of a pupil or a parent/legal guardian of the pupil; and
 - Is not related to participation by the pupil in a sanctioned sport
- The burden of proof is on the parent/school:
 - To prove hardship exists, **and**
 - The hardship is related to the need for the student to transfer schools
 - To provide adequate documentation to prove the hardship exists
 - Legal documents, medical records, school behavior records, etc.
 - This **cannot** only be a letter from the parent or guardian
 - School or curricular preference, transportation, poor grades, attendance are examples of situations **not** considered hardships
- Each case is unique and evaluated on the basis of facts in that case as supported by the evidence submitted

➤ **Level II Hearing (NAC 385B.908, NAC 385B.910)**

- Students denied eligibility may appeal their ineligibility, in most but not all cases, through a Level II appeal
- Administrators should meet with the family to review the denial letter provided by the NIAA and reasoning
- Administrators should explain the process for a Level II Hearing to the family, which includes:
 - The parent/guardian must email the NIAA requesting the hearing, including the reasoning why they feel that the determination that was made was incorrect based on the NIAA regulations
 - The parent/guardian must send a check to the NIAA office or call and pay with a credit card over the phone for a \$500 nonrefundable hearing fee
 - The parent/guardian, student, and any witnesses will attend a hearing with a hearing officer to review their transfer application and documentation
 - The hearing officer will have 10 days to render their decision at the conclusion of the hearing
 - **Administrators must inform the family that no new evidence or documentation may be presented at the hearing and anything additional must go back to a first level determination**
