

At MACCRAY Public Schools, we use Google Workspace for Education, and we are seeking your permission to provide and manage a Google Workspace for Education account for your child. Google Workspace for Education is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom, Google Maps, Google Earth, Google Photos, Google Translate, Chrome Web Store, Youtube, and more. At MACCRAY Public Schools, students will use their Google Workspace for Education accounts to complete assignments, communicate with their teachers, sign into their Chromebooks, and learn 21st century digital citizenship skills.

I understand that devices and accessories must be returned in good working condition at the end of each school year. Students who graduate early, withdraw, are suspended or expelled, or terminate enrollment at MACCRAY for any reason MUST return the device to the school on their last day of enrollment.

MACCRAY School District Tech Insurance

The MACCRAY School District recognized that with the implementation of the electronic device initiative there is a need to protect the investment made by both the District and the Student/Parent.

The school district is charging an ANNUAL protection tech insurance for coverage against liquid spills, accidental drops, power surges and natural disasters. This insurance does not provide for damage caused by fire, theft, loss, misuse, intentional, frequent damage, or loss or damage to chargers. The school district is charging an annual protection tech insurance in the amount of \$40.00 per 6th-12th grade student, \$10.00 per 3rd-5th grade student, with a \$60.00 family maximum for using devices. I understand the insurance is non-refundable. I also understand this covers the period from receipt of the payment and ends at the conclusion of each school year or last day of enrollment.

INTENTIONAL DAMAGE: Students/Parents are responsible for full replacement cost of intentional damage to devices.
