Subject: Community Eligibility Provision (CEP)

To whom it may concern,

Village Tech Schools announced today it will continue to operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the **2025-2026 school year**. Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This approach reduces burdens for both families and school administrators and helps to ensure that students receive nutritious meals.
