CHESS

We bring the ancient game of Chess to life in this educational and engaging program! This program, designed for beginners and seasoned players, offers a learning experience that combines a new and engaging lesson each session, friendly gameplay, and opportunities to build new friendships! The best part? The program culminates in an exciting tournament where students can showcase their newfound skills and compete for amazing prizes! **Meets Wednesdays from 3:30 PM to 4:30 PM. Grades K-6th. Session 1 from 9/03 to 10/29, no class on 10/15 for \$128. Session 2 from 11/05 to 1/14, no class on 11/26, 12/24, and 12/31, for \$128.**

CARTOONING

Our STEM Cartooning sessions are simple and entertaining! With straightforward, step-by-step instructions, students can learn the fundamentals of Cartooning and explore ways to bring life to anything from inanimate objects and personalities to animals. Each day, students will build upon their knowledge and hone their skills, drawing different figures of all sorts, from sea creatures to geometric shapes! The possibilities for fun are endless with STEM Cartooning! **Meets Mondays from 3:30 PM to 4:30 PM. Grades K-6th. Session 1 from 9/08 to 10/27, no class on 9/22, 10/13 for \$96. Session 2 from 11/03 to 1/12, no class on 11/24, 12/22, 12/29, 1/05 for \$112.**

Harry Potter LEGO®: The LEGO World of Harry Potter

In this magical class students will be challenged to create the world of Harry Potter with LEGO®! Students will be sorted into a House and earn points towards The House Cup. The overall focus of the class will be to create short stories in places familiar to Harry and his fellow wizards from Hogwarts to Diagon Alley. Be prepared to learn some LEGO® magic (building techniques) and sharpen your imagination! **Meets Tuesdays from 3:30 PM to 4:30 PM. Grades K-6th. From 9/02 to 10/28, no class on 10/14 for \$128.**

LEGO® Architecture Minecraft Adventures

LEGO® Architecture Minecraft Adventures is a new class that allows students to build Minecraft-inspired creations! With the resources provided, students will rise to challenges, including building structures in different biomes, and discuss how they can utilize structures to defend against common mobs. They will also face challenge scenarios in which they must build to save Steve and Alex from the perils of Minecraft! **Meets Tuesdays from 3:30 PM to 4:30 PM. Grades K-6th. From 11/4 to 1/13, no class on 11/25, 12/23, 12/30 for \$128.**

Masters of the Field

Masters of the Field combines the fun of classic outdoor games and games that test your knowledge! The program features Capture the Flag and Relay Races mixed with various educational subjects, including math, spelling, science, history, and logic puzzles, to challenge students! These fun outside games will test teamwork, strategy, and skill while participants learn technique, focus and gain academic skills - all while getting a workout! **Meets Thursdays from 3:30 PM to 4:30 PM.
