

Welcome Back, Monarchs!

As I begin my first school year as Superintendent of Marysville Schools, I am honored to be “coming home” to serve the community that shaped me. This year’s Convocation reminded me just how special it is to be a Monarch.

From the energy of our marching band and cheerleaders, to the heartfelt stories of educators who have made a difference, the day was filled with pride, purpose, and possibility.

Our mission—Innovate, Collaborate, Inspire—will guide us as we focus on the priorities for the 2025–2026 school year:

Student Achievement: Every decision we make will center on our students. We will strengthen academics, expand innovative learning, and celebrate the arts, athletics, and leadership. They are why we do what we do.

Staff Support & Growth: We will invest in professional learning, embrace new tools like AI to enhance teaching, and ensure our staff feel valued and supported in their work.

Community Partnerships: We will deepen connections with families, alumni, businesses, and civic leaders, knowing that our schools thrive when our community thrives.

At Convocation, I shared a simple but powerful challenge—“Be a Champion for Others” for the 2025–2026 school year. Throughout the year, I encourage you to share stories of the people who have shaped your journey and inspired you to do your best. Gratitude and encouragement are contagious, and together we can build a culture that uplifts every Monarch.

In the weeks ahead, I’ll be visiting our schools, attending events to listen, learn, and connect. I’m excited to hear your ideas and to work side-by-side to make this a year of remarkable growth for our students and community.

Thank you for the warm welcome. Let’s make 2025–2026 a year of innovation, collaboration, and inspiration—together.

With Monarch Pride,
Dr. Zack Howard
Superintendent, Marysville Schools

Welcome to our new staff for the 2025-2026 school year! We’re glad you’re here!

Marysville FFA Named Top 10 Chapter in the Nation

We are proud to announce that the Marysville FFA chapter has earned national recognition as a 3-Star Chapter—an honor reserved for less than 10% of chapters across the country. Even more impressively, our chapter has been selected as a national finalist for the Premier Chapter Award by the National FFA Organization. Only 10 chapters nationwide are chosen for this distinction in each award category.

This recognition reflects the hard work, innovation, and leadership of our FFA students and advisors, who will now represent Marysville on the national stage at the 98th National FFA Convention & Expo in Indianapolis this October.

FFA's National Chapter Award program

celebrates chapters that grow leaders, build communities, and strengthen agriculture through hands-on learning and service. We are thrilled to see our students' efforts recognized in such a meaningful way.

Congratulations to the entire Marysville FFA team!

Familiar Faces Returning to Marysville SRO Program

Marysville Schools is proud to continue our partnership with the City of Marysville to provide a dedicated School Resource Officer (SRO) program for the 2025–2026 school year. Four officers will once again be serving in schools across the district to help ensure a safe and welcoming environment for students and staff.

Returning officers include:

Corporal Jason Boy

Officer Paul Lewis

Officer Eric Collier

Officer Steve Hardy

We are excited to welcome these familiar faces back to our buildings and remain committed to making school safety a top priority.
