Comments:

Dear SSFUSD Board Members,

The spring-time procedures you used to address Covid-19 worked great. Please continue with more of the same during the summer and starting next school year. The recommendation for masks and the weekly testing and/or Covid shot worked great!

Keep up the good work and don't change anything.

Many thanks,

Mr. Matt Allen

Comments:

It is time to allow parents back on school campuses, especially back onto elementary school sites. Our school district prides itself on having a strong community with great parent - teacher relationships, and without parents being allowed on campus, we are losing that connection. Please allow parents back on campus in the fall.

Comments:

Please, do not change the k-5 start time to earlier than 8:30. As a third grade teacher and a parent to young children, I can tell you first hand how challenging it is to get young children out the door in the morning. My 5 year old is not quite as independent as a middle schooler or high schooler. Why is it that it is always assumed because elementary school teachers teach the youngest aged children, we should be the most adaptable and our opinion the least important? Please hear us elementary school teachers when we say that the majority of us do not want to start earlier.
