Advanced Placement Exams

**Advanced Placement (AP) Exam Self-Study Guidelines**

Beginning with the 2025–2026 school year, students may only register for an AP exam if they are currently enrolled in the corresponding AP course—either in-person or virtually. The only exception to this policy is for AP courses not offered at Northview High School; in such cases, students may pursue a self-study option.

**To register for a self-study AP exam, students must visit Dr. Bounds’ office to obtain a Self-Study Contract, which must be signed by both the student and a parent/guardian.** Additionally, the exam fee of \$125 must be paid in full through OSP before registration can be processed.

**Important Deadline:**

All self-study exam requests must be submitted by **October 1, 2025**. Late submissions will not be accepted under any circumstances.

**Please note:** If a student registers for an AP exam but does not attend on the scheduled exam day, an unused exam fee of \$75 will be charged.

**For questions or additional information regarding AP exams, please contact Dr. Christi Bounds.**
