

## Jefferson County School System Goals 2025-2026

Many parents will sign school parent compacts in September and October 2025 for the 2025-2026 school year based on these goals  
Thank you for pledging to work with us to achieve our goals

### District Goals

- Increase student achievement in all content areas and across all subgroups by 5% of potential growth on state assessments.
- Create a healthy and positive school culture and climate that uses collaborative problem-solving approaches to address conflict in schools and meets the needs of the whole child as measured by school climate ratings.
- Increase student achievement by 5% of potential growth for SWD while closing the achievement gap with other subgroups.
- Increase teacher retention in an effort to improve teacher effectiveness and to increase potential leader pool.
