

**2025-2026
Galena Park ISD
Night School Program**

The Galena Park ISD Night School Program is designed to serve the community by providing accessible educational opportunities to adults who have not yet completed their high school education.

Criteria for enrollment eligibility:

- Age 18+ who did not earn their high school diploma with their cohort/graduating class
- And one of the following:
 - Must have last attended high school in GPISD
 - Currently work for GPISD
 - Live in the GPISD attendance zone
- In addition students must have an electronic device (chromebook/laptop/etc.) to complete online work

Program Description:

- Classes are accelerated and provided through a hybrid method with the majority of the work completed online at the student's pace
- Students will attend in person the first and second day and the last day of each session (if work is not complete) from 5:00p.m. - 8:00p.m.
- Students will be required to attend in-person one day each month on the specified date/time while in session (Wednesday from 5:00pm - 8:00pm) to work face to face with their teacher(s).
- Teachers will be available online for tutorials every Wednesday from 7:00pm to 8:00pm while in session
- Students can be withdrawn from the program at any time if progress is not satisfactory
- If state assessments are required for program completion, students must attend in-person on testing dates
- Session fee: \$50.00
