

FUTURE READY

PARK HILL

Future Ready Assets are industry and college-level credentials or distinctions that make students more marketable after graduation. Research shows students who leave high school with a diploma and a credential, like a future ready asset, are more likely to enroll in post-secondary education/training and successfully navigate the journey from school to employment. Students engage in skill-building experiences that create a more seamless transition from school to post-secondary education and/or the workplace making further education and training more affordable and more attainable.

By the year 2030, 100% of Park Hill seniors will graduate with a career and/or college future ready asset.

College Ready Assets are experiences, credentials, and distinctions that will benefit students as they enter post-secondary education.

★ College Credit

Earns 9+ hours of college credit

How does a student earn college credit?

Students can earn college credit by enrolling in dual credit courses through partner colleges, enrolling in the Early College Academy, or by earning a 3+ on Advanced Placement exams. Students will earn three credit hours for each AP exam score of three or higher.

★ A+ Scholarship Recipient

Earns A+ Scholarship

How does a student earn an A+ Scholarship?

High school students must sign up for the A+ Scholarship Program, be a US citizen or permanent resident, attend an A+ high school for two years prior to graduation, graduate with an unweighted GPA of 2.5 or higher, have at least 95% attendance overall for grades 9-12, maintain a record of good citizenship, perform at least 50 hours of unpaid tutoring or mentorship, and score proficient or advanced on the Algebra I End of Course exam.

★ Bright Flight Scholarship Recipient

Earns Bright Flight Scholarship

How does a student earn the Bright Flight Scholarship?

Students must be a Missouri resident and US citizen/permanent resident, have a minimum ACT super-score of 31 or a minimum SAT math score of 770/SAT reading score of 760, and enroll as a first-time, full-time student at a participating Missouri school.

★ AVID Completer

Completes high school AVID program

How does a student complete the AVID program?

Students must qualify for the AVID elective and enroll in the AVID elective all four years in grades 9-12.

★ Seal of Biliteracy Recipient

Earns the Missouri Seal of Biliteracy

How does a student earn the Seal of Biliteracy?

Students must meet specific criteria in both English and another language, including demonstrating proficiency in reading, writing, listening, and speaking. They also need to complete a Sociocultural Competence Project.

★ Approved Plan for Post-Secondary Transition

In partnership with a special education case manager, document an approved plan for post-secondary transition in the student's individualized education plan (IEP).
