

August 1, 2025

Dear Parents, Guardians, and Members of the PAC Community,

Welcome to the 2025–2026 academic year! We are thrilled to begin this exciting new chapter with you as partners in your child's educational journey. At Marion P. Thomas Charter School PAC Academy, we are committed to building a culturally rich and transformative educational space where students, staff, and families grow and thrive together.

This year, our focus is clear: to equip our scholars with the knowledge, skills, and experiences needed to succeed in the 21st-century world. Our robust curriculum in English Language Arts, Mathematics, Social Studies, and Science is intentionally designed to prepare students for both higher education and the workforce. Beyond academics, we believe that true education extends into life itself—and we are committed to exposing our students to real-world experiences that broaden their perspectives and deepen their understanding.

We are also proud to announce the revitalization of our Visual and Performing Arts (VPA) program. With a passionate and loving team at the helm, our students will engage in creative and expressive learning that nurtures their talents, enhances their confidence, and makes them more worldly and well-versed citizens.

As we move forward, we warmly invite you to become an active part of our school community. Whether through events, volunteer opportunities, or classroom engagement, we want every family to feel welcomed, heard, and valued. Together, we will continue to build a family atmosphere grounded in unity, excellence, and love.

In setting the tone for a strong school culture, we want to emphasize that **complying with the school uniform policy is a top priority**. Uniforms help create a sense of belonging, reduce distractions, and promote a focused learning environment. Please ensure your child arrives at school each day **on time at 7:45 am** and in the appropriate uniform as outlined by school guidelines.

To help you prepare for the upcoming school year, **the school supply list as well as the August and September calendars have been posted on our school website**. We encourage you to review these resources as you make your back-to-school preparations.

At PAC, we know one thing to be true: **There is no impact without PAC!**

We look forward to an incredible school year filled with growth, achievement, and joy.

Warm regards,
Shimeica Maxwell
Principal, Grades 5–8
Mandisa Brudey
Principal, Grades Pre-K–4
