

My Ride K-12

Parent User Guide

How to access the My Ride K-12 website

1. Using the Google Chrome browser, go to **myridek12.tylerapp.com**
2. Log in to your account by clicking **Log In** and continue to step 5. If you have not registered yet, click **Sign Up** and follow the steps.
3. To register, enter your email address, a password, and name.
4. After registering, you will receive a confirmation email. Click on the link in your email to confirm your registration through the My Ride K-12 website.
5. Log in to your account and, when prompted, search for the name of the school district your child attends.
6. To add a student, click **Add Student** and enter the **Student ID** provided by the school district, then enter the school. Repeat this step to add additional students.

Find Your Student

8. Once a student has been successfully added, click on that student's profile to view all relevant transportation information. Included routes.
9. To share a student's profile with another person, select the student and click the **Share** button. Then, enter the email address of the person you want to share it with. That person will receive a confirmation email that will automatically link them to the shared student(s). Recipients must be registered in My Ride K-12 to access the student's information.
