

our rewards

Wouldn't it be great if you could be rewarded for practicing good oral wellness? With our Dental Rewards[®] you are, automatically. So keep up the good work.

With Dental Rewards' increasing annual maximum feature, you can "earn" additional money toward

future years' annual maximums. That way, the money is available when you need it most.

Qualify for rewards by:

- Submitting at least one dental claim per year.
- Keeping your total paid claims under the plan's annual benefit threshold limit.

Plus, if you visit one of our PPO network providers, you are eligible for an additional PPO bonus carryover amount.

To earn rewards in subsequent years, follow the same guidelines. Rewards may be accumulated from one year to the next, up to the maximum reward accumulation amount.

Annual maximum for Type 1, 2 & 3 (Preventive, Basic, Major)	\$ 1,500
Annual dental reward (carryover) toward next benefit year	\$ 250
Annual PPO bonus (carryover) toward next benefit year	+ \$ 150
Next benefit year's annual max + dental reward + PPO bonus	\$ 1,900

Please note: Annual benefit threshold limit is \$750 (keep paid claims at or below this limit to earn rewards). Annual maximum includes Type 4 (Select) procedures when applicable. Your annual maximum can increase up to \$2,500 total.

Rewards will not be earned when:

- Your total annual paid dental claims exceed the benefit limit.
- No dental claims for covered procedures are submitted during the year.

If this happens, no rewards are earned and all accumulated rewards from previous years are given up. However, you can continue building rewards again the very next year.
