

Understand & Improve Child Behavior & Daily Routines

Join Us for a Virtual DOCS K-5 Training!

Developing our Children's Skills

The DOCS K-5 training program helps caregivers to improve daily routines, understand child behavior, and learn effective strategies to increase appropriate behavior.

DOCS K-5

USF's Interdisciplinary Center for Evaluation and Intervention (ICEI), in collaboration with FDLRS Gulfcoast, is pleased to host a virtual six-week training for parents, caregivers, and guardians of elementary school children. The class involves six two-hour sessions that will meet once a week. You must reside in Hernando, Pasco, or Pinellas County to be eligible for this program.

Sessions Include:

- Skills review and weekly lesson
- Parenting Tip and Quality Time Activity
- Plan development, feedback, and coaching

Sessions Available:

Fall 2025:

5pm-7pm
9/8, 9/22, 9/29,
10/6, 10/20, 10/27

Winter 2026:

5pm-7pm
1/12, 1/26, 2/2,
2/9, 2/23, 3/2

The class will be capped at 15 participants!
