 - a) Travel—Mileage reimbursement at the prevailing IRS rate for round trip mileage or air coach rate, whichever is approved.
 - b) Housing—Not to exceed \$175.00 per night. Amounts in excess of this amount must be approved by building principal and superintendent. Teachers are encouraged to share accommodations whenever possible.

 - d) Parking fees, as required.
 - e) Registration fees, as required.
3. Application must be made on the approved form and signed by the Principal and Superintendent at least one (1) week in advance of the planned professional leave, unless otherwise waived by the Superintendent. All mileage and professional expenses shall be filed with the Treasurer no later than 30 days following the last date on which the expenses were incurred. The teachers shall include itemized receipts or bills for those expenditures for which reimbursement is requested.
4. Should the school be closed during the period of a teacher's professional meeting attendance by an "emergency day", as called by the Superintendent, such teacher will not be charged with a professional day, if the teacher is unable to attend the meeting and the Board has paid no money towards that meeting.
