

# Welcome to 4th Grade

*Hello!*

*I am Mrs. Colwell*

# Academics for the year:

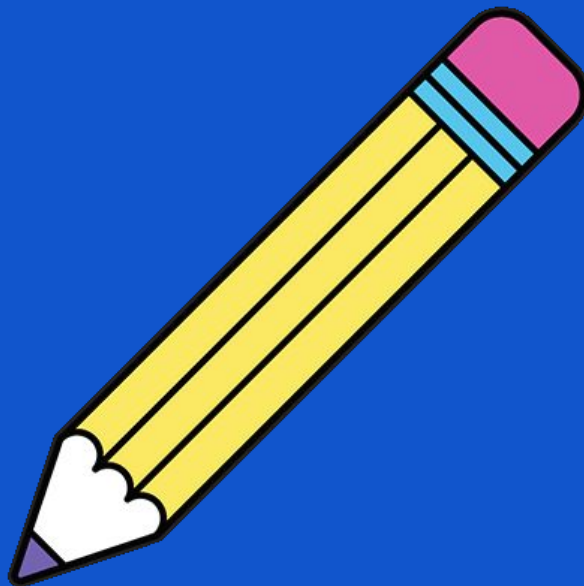

English Language Arts: Great Minds: Arts and Letters

Math: iready

Phonics: 95 Percent

Science: STEMscopes

Utah History

## Attendance:

Please make sure that your children are on time for school and ready to learn. Please let me know of any planned absences. The doors to the building will open at 7:50 and school begins at 8:10.

# Birthdays!

I love celebrating students! On your child's birthday, we will sing a cheerful "Happy Birthday" in class to honor their special day.

Optional: If you'd like, your child is welcome to bring a birthday treat or goodie bag to share with the class. In keeping with school policy, all treats must be store-bought and nut-free to ensure the safety of all students. Please note that treats need to be sent with your student in the morning when they come to school.

Summer birthdays will be celebrated in May or June.

# Snacks

Students are welcome to bring one healthy snack each day. We ask that snacks be eaten only during the designated snack time, and that students enjoy their snacks individually and clean up after themselves. Your support in reinforcing these habits at home is greatly appreciated!

# Specialists

Students will go to each designated specialist room and will NOT be grouped by class. Refer to the calendar you receive at the beginning of the year. Specialists include PE, Coding, Art, Music, Dance, and Library. Please make sure your child is prepared for PE with appropriate footwear.

# PACE

Please see the following document from Katy McCombs regarding the PACE program. Feel free to click on the link below and explore the information for families about enrichment.
