Advanced Bands Uniform 2025-2026

Students will wear their Formal Uniform for all Advanced Bands concerts, except for the fall events. We wear formal uniforms so that everyone looks professional when we perform all together. We are asking families to order from companies they trust and know provide clothes that fit their child.

These are the same requirements as last year - 8th graders, make sure you haven't grown out of your black clothing!

All students will have black dress pants and a black dress top.

Make sure you have all items before Thursday, December 11th.

TIGER MAROON TIE

The band program will be providing a maroon tie for any student who wants to wear the "Black Button-Down with Tie" option. We will check the tie out before the first concert, and families may keep it until the end of the school year.

Students will return the tie to the SMS Band program after our last performance of the year.

We will wear this uniform at our Winter Concert, Pre-UIL Concert, UIL Concert & Sight Reading Evaluation, & our performance before our Spring Trip in May.
