The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California’s ESSA State Plan supports the state’s approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state’s Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Gold Ridge Elementary School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made to inform the SPSA development process.

Plan Description

Briefly describe your school's plan for effectively meeting ESSA's planning requirements in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

This plan is being used by Gold Ridge Elementary School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

The purpose of this plan is to align our site goals with the district's Local Control and Accountability Plan (LCAP) goals. Gold Ridge Elementary School will meet the ESSA (Every Student Succeeds Act) requirements through a focus on student achievement, working collaboratively in Professional Learning Communities (PLC), student engagement, and Social Emotional Learning (SEL). Our long-term goal is to help every student perform at high levels. Evidence based interventions including a focus on essential standards, Multi-tiered Systems of Support (MTSS), and common formative assessments will be used.

School Vision and Mission

GRE Vision: High levels of learning for all.

GRE Mission: At Gold Ridge Elementary, we are dedicated to fostering a culturally responsive and inclusive learning environment where every student is valued, celebrated, and empowered. Our mission is to inspire a sense of belonging, equity, and excellence by promoting a deep appreciation for diversity, nurturing a love of learning, and preparing our students to become informed and participating global citizens.

School & Community Profile

Gold Ridge Elementary (GRE) is a Pre-K – 5th grade school located in the Broadstone neighborhood of Folsom. Kemp Park and wetland marshes, ponds, and creeks are within easy walking distance of the school. The campus houses 25 classrooms, a library, a Student Care Center, and both Special Education and Adult Education preschool programs. Our multi-purpose building includes a stage and a serving kitchen; gym facilities are shared with the Folsom Parks and Recreation Department.

As of California Longitudinal Pupil Achievement Data System (CALPADS) 2024, our student enrollment was 535 students. We have a racially and culturally diverse student population representative of California. Our students speak approximately 30 different home languages, and language minority students represent 30 percent of our school population.

Our teachers and staff are committed to high academic expectations with individualized support to help all students master content standards. To complement our academic emphasis, we believe all students benefit from a rich variety of experiences in Music, Physical Education, Technology, and the Arts. Our teachers partner with parent volunteers and community groups to extend learning through programs such as Eagles Art (a docent-led Visual Arts program), 3E Science (parent supported hands-on Next Generation Science Standards (NGSS) hands-on activities), PC Pals (provided by Intel Corporation volunteers), and a variety of after school clubs. Our commitment to the Visual and Performing Arts is displayed at grade-level music, theater performances, and school clubs like the Drama Club, Cross Country, and Track.

Parents are engaged in a wide variety of leadership and volunteer activities that enrich and support learning. Our Parent Teacher Organization (PTO) sponsors community events such as our Back-to-School Kick-Off and Winter Wonderland, funds assemblies, and organizes enrichment activities such as Science Fair and our parent docent Science Technology Engineering and Math (STEM) program 3E Science and Eagles Art. We also have a parent-led Garden Grow program that educates students from seed to market. Approximately 200 parents sign up each year to work as Science and Art docents, volunteer in classrooms, and chaperone field trips.

Educational Partner Involvement

How, when, and with whom did Gold Ridge Elementary School consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Community meetings including School Site Council (SSC), LCAP, and PTO general meetings are held throughout the year. At these meetings, site, and Local Control Accountability Plan (LCAP) goals are shared and discussed. Staff, parents, and community members provide input through both discussion and online surveys. A formal review of the SPSA is conducted at School Site Council meetings - which are open to the public.

School Site Council Meeting & ELAC: 9/11/24 Presentation on the purpose of the SSC and ELAC, the composition of members, and the Comprehensive Site Safety Plan. ELAC: Presentation on English Learner support, English Language Proficiency Assessments for California (ELPAC) testing, Reclassified Fluent English Proficient (RFEP) process

School Site Council Meeting & ELAC: 11/13/24 Review and approve Comprehensive Site Safety Plan; present Supplemental Funding Formula and areas of need

School Site Council Meeting & ELAC: 02/05/25 Approval of Supplemental Funding Plan, Data Walk

School Site Council Meeting & ELAC: 5/14/25 SPSA approval, review of LCAP Goals

PTO General Meetings: 8/20/24, 10/16/24, 12/18/24, 2/26/25, 4/10/25

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

This section is required for all schools eligible for ATSI and CSI.

Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

English Learner Progress (orange) 60.9% making progress (10.8% increase from the previous year). Continue to provide more targeted support in the classroom for Tier One, Two, and Three instruction through professional development in integrated and designated instructional methods. Suspension Rate: Socioeconomically Disadvantaged (Red), Asian, Two or More Races, Students with Disabilities, and White (Orange). Provide PBIS and SEL support and monitor attendance rates.

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the "all student" performance.

English Language Arts: Socioeconomically Disadvantaged, Students with Disabilities, English Language Learners (Orange); Mathematics: Students with Disabilities (orange); Suspension Rate: Two or more races (Orange). Analyze effectiveness and frequency of inclusive practices for our students with disabilities. Focused efforts on increasing attendance for socioeconomically disadvantaged and students with disabilities.

Other Needs

In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

School and Student Performance Data

Student Enrollment

This report displays the annual K-12 public school enrollment by student ethnicity and grade level for Gold Ridge Elementary School. Annual enrollment consists of the number of students enrolled on Census Day (the first Wednesday in October). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	21-22	22-23	23-24	21-22	22-23	23-24
American Indian	%	0%	%	0	0	
African American	1.97%	2.44%	3.36%	10	12	18
Asian	27.56%	28.46%	26.36%	140	140	141
Filipino	3.54%	3.46%	2.06%	18	17	11
Hispanic/Latino	15.75%	15.04%	16.82%	80	74	90
Pacific Islander	0.59%	0.41%	0.37%	3	2	2
White	39.17%	37.6%	38.32%	199	185	205
Multiple/No Response	11.42%	12.6%	12.71%	58	62	68
Total Enrollment				508	492	535

Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	21-22	22-23	23-24
Kindergarten	69	76	91
Grade 1	75	78	85
Grade 2	96	74	81
Grade3	79	93	97
Grade 4	96	71	86
Grade 5	93	100	73
Total Enrollment	508	492	535

Conclusions based on this data:

1. Gold Ridge Elementary continues to reflect the racial and ethnic diversity of California. This past year saw an increase in the percentage of African American and Hispanic and Latino students.
2. Students of Asian background make up approximately 30 percent of the school population. This subgroup is made up predominantly of students from India, but also includes students from the Middle East, China, Taiwan, Southeast Asia, and Japan.
3. Grade level data shows a "bubble" or slightly higher number of students at 4th and 5th grade. These bubbles are typical and the reason we often have at least one grade level combination class each year.

School and Student Performance Data

English Learner (EL) Enrollment

This report displays the annual K-12 public school enrollment by English Language Acquisition Status (ELAS). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	21-22	22-23	23-24	21-22	22-23	23-24
English Learners	78	74	89	14.3%	15.4%	16.6%
Fluent English Proficient (FEP)	75	66	62	14.1%	14.8%	11.6%
Reclassified Fluent English Proficient (RFEP)				15.4%		

Conclusions based on this data:

1. The number of English Learners (EL) at Gold Ridge has shown an increase over the last few years.
2. A significant number of our students were reclassified in 2024-2025 (24), which speaks to the effectiveness of our ELL instruction and supports.
3. With students and families from over 20 countries, the majority of our EL students are from India and speak a variety of languages and dialects from that area.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

The Smarter Balanced Summative Assessments for ELA and mathematics are an annual measure of what students know and can do using the Common Core State Standards for English language arts/literacy and mathematics.

The purpose of the Smarter Balanced Summative Assessments is to assess student knowledge and skills for English language arts/literacy (ELA) and mathematics, as well as how much students have improved since the previous year. These measures help identify and address gaps in knowledge or skills early so students get the support they need for success in higher grades and for college and career readiness.

All students in grades three through eight and grade eleven take the Smarter Balanced Summative Assessments unless a student's active individualized education program (IEP) designates the California Alternate Assessments.

Visit the California Department of Education's [Smarter Balanced Assessment System](#) web page for more information.

Conclusions based on this data:

1. English Language Arts scores have seen decreased over the last three years as noted by CAASPP scores. The cause of this decline is most likely by the adverse effects the COVID pandemic and interruptions in learning.
2. Grade level teams will review results as part of their work in Professional Learning Communities (PLC) - looking for both trends they can address during Tier 1 core instruction as well as student specific needs that can be supported through intervention with strong Tier 2 and Tier 3 supports. UFLI instruction for all K-2. SIPPS for all 3-5th grades. Foundational Reading Block for all grades.
3. As a district, our district scores higher than the state average as Reading/Language Arts has been a district focus.

2. Professional Development in Math instruction and corresponding work on essential Math standards in grade level PLCs has been and will continue to be a focus for our site. Bolstering Tier 1 instruction in the classroom. Implement a Foundational Mathematics block.
3. Our plan to focus on 1st instruction and targeted classroom interventions in math have proven to move a significant number of students out of "Below Standard" to "At or Near Standard".

The English Language Proficiency Assessments for California (ELPAC) system is used to determine and monitor the progress of the English language proficiency for students whose primary language is not English. The ELPAC is aligned with the 2012 California English Language Development Standards and assesses four domains: listening, speaking, reading, and writing.

Visit the California Department of Education's [English Language Proficiency Assessments for California \(ELPAC\)](https://www.cde.ca.gov/ta/tg/ela/elpac/) web page or the [ELPAC.org](https://elpac.org) website for more information about the ELPAC.

Conclusions based on this data:

1. We continue to provide targeted instruction support for our EL students, and see the reclassifications are consistently taking place, resulting in many students being Reclassified Fluent English Proficient (RFEP). 24 students achieved RFEP status this year.
2. We will continue to use strong Tier 1 instruction with designated and integrated EL strategies as well as BIA support to support students, families, and teachers. Professional Development by EL Specialist Lead Teacher.

3. We will be using our Common Planning time to support and steer our instruction to support all of our students.

School and Student Performance Data

Student Population

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

2023-24 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
535	23.7%	16.6%	0.2%
Total Number of Students enrolled in Gold Ridge Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2023-24 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	89	16.6%
Foster Youth	1	0.2%
Homeless	5	0.9%
Socioeconomically Disadvantaged	127	23.7%
Students with Disabilities	76	14.2%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	18	3.4%
American Indian	0	0.0%
Asian	141	26.4%
Filipino	11	2.1%
Hispanic	90	16.8%
Two or More Races	68	12.7%
Pacific Islander	2	0.4%
White	205	38.3%

Conclusions based on this data:

1. Gold Ridge Elementary continues to be an ethnically and racially diverse school reflective of the demographic mix that is California.

2. We continually look for ways to welcome, include, and celebrate students and families from many different backgrounds through instruction, assembly programs, library books, and special family events.
3. Staff receives training on equity and inclusion, support for English Language Learners, and how to maximize translation tools such as Language Line and Google Translate to engage parents who are limited English speakers.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

2024 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts Green	Chronic Absenteeism Green	Suspension Rate Orange
Mathematics Green		
English Learner Progress Green		

Conclusions based on this data:

1. In 2023-2024 school year our students are scoring above the state average and show success in both Math and ELA. There is room for growth in both core academic areas.
2. The suspension rate at GRE is low which indicates the success of our PBIS plan and allows our students to be in class and learning.

3. The Dashboard indicates the GRE continues to show that our EL population is progressing but warrants continued support in instruction.

Conclusions based on this data:

1. The Socioeconomically Disadvantaged, students with disabilities, and English Language Learners at GRE are our lowest performing sub-populations. Continued support through targeted instructional practices is needed.
2. All ethnics sub-groups that could be identified are performing at a mid-high or very high level.
3. Students with disabilities continue to be our lowest performing subgroup in English Language Arts. Increased coordination and collaboration between General Education and Special Education staff through PLC work is a priority.

Conclusions based on this data:

1. According to the Dashboard, over half of our English Learners increased one level of proficiency in English. 24 students achieved RFEP status this year.
2. Supporting English Learners with high quality English Language Development instruction remains a high priority focus at GRE.
3. Providing accommodations to support Level 1 and Level 2 English Learners' access to core instruction (in Benchmark Advance and Envision Math) continues to be a priority.

Conclusions based on this data:

1. Chronic Absenteeism for all identified Students/Student Group is a targeted area of improvement. Work with our attendance clerk, Positive Behavior Intervention Supports (PBIS) strategies, and frequent communication with families will support our chronically absent student groups.
2. The GRE staff will work with parents, students, and staff to address attendance concerns, looking for ways to prioritize, and validate the school day, and instructional hours.
3. Chronic absenteeism, and truancy will continue to be monitored, and tracked through our district support attendance program. The principal and office personnel will be trained on our attendance program, Attention 2 Attendance (A2A). In addition, the staff (and District) will conduct two "20 Day Attendance Challenges" to increase attention ion the importance of daily attendance.

School and Student Performance Data

Academic Engagement Graduation Rate

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

Conclusions based on this data:

1. GRE administration and climate and culture staff will look continually at disproportionality as it relates to suspension or discipline practices.
2. GRE continues to work to develop a positive school culture and climate that includes all students, features robust PBIS practices, and makes use of restorative strategies in response to errant student behaviors.
3. GRE will ensure that we not only have strong tier 1 supports for students, but we have tier 2, and tier 3 intervention to ensure that all students are being supported. Professional Development in Behavior Response to Intervention for administration, mental health team, classroom teachers, and Climate and Culture coaches has been provided, and is a continual focus.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal 1

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

LCAP Goal 1: All student progress and educational outcomes will be monitored to increase and improve success with an emphasis on historically marginalized and underserved student populations (State Priority 4 and 8)

At Gold Ridge Elementary, staff work together to monitor student achievement and use assessment results for instruction and intervention.

1.1 Utilizing the PLC process using data we will utilize our MTSS Specialist and intervention teachers to identify and support students who are not on grade level for ELA and Mathematics.

1.2 Utilizing the PLC process using data we will utilize our MTSS specialist and intervention teachers to identify and support students who are not on grade level ELA and Mathematics.

1.3 Utilize Bilingual Aides to push in to support designated ELL instruction.

1.4 Special Education teachers will utilize PLC Thursdays to collaborate to connect students to grade level curriculum.

1.5 Kindergarten team levels students based on skill for reading and mathematics daily during the MTSS schedule utilizing the aides and Intervention teacher.

LCAP goal to which this school goal is aligned.

LCAP Goal 1: All student progress and educational outcomes will be monitored to increase and improve success with an emphasis on historically marginalized and underserved student populations (State Priority 4 and 8)

1.01 - Ensure students are meeting grade-level standards in ELA and math (1st, 3rd, 5th, 8th, and 11th grades) with a specific emphasis on marginalized and underserved student populations

1.02 - Ensure English Learners, Foster Youth, and Students with Disabilities make grade level progress through access to grade level curriculum and quality first instruction.

1.03 - Improve TK/Kindergarten readiness as measured by curriculum embedded assessment.

1.04 - Grad rate focus; monitor yearly high school progress to ensure all students make annual progress toward graduating within their 4-year cohort.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

30-35 percent of students are not mastering Common Core State Standards as evidenced by CAASPP scores. We want to bolster tier one first instruction and strengthen our MTSS time targeting tier 2a and 2b and tier 3 instructional supports.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Teachers participated in instructionally focused PLC collaboration. Bolstering Tier One instruction/first instruction, support with Tier 2 and Tier 3 instruction and support through Interventionist.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal 2

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

LCAP Goal 2: Student, parent, and community engagement
 Gold Ridge Elementary will increase student and parent engagement and create a healthy, and positive learning environment.
 Gold Ridge team will:
 2.1 Increase attendance rates through 20-Day Challenges, parent engagement
 2.1 The principal will conduct an attendance review for families who are identified as chronically absent or have many unverified absences.
 2.3 Second step social emotional learning(SEL) lessons will be taught weekly in classrooms.
 2.3 Provide PBIS plans for students with Tier 2 or 3 behaviors. Offer and provide staff training and support.
 2.3 The PBIS Team will have monthly PBIS focus around SOAR Expectations (Self Control, On Task, Achievement, Respect) with a direct instruction lesson and positive recognitions/incentives for students modeling SOAR Expectations. Four SOAR Recognition Assemblies per year.
 2.4 The Parent Coordinator will communicate with families using ParentSquare and News in the Eagle Eye. The parent Coordinator will reach out to families with a call to support our ELAC and SSC..
 2.5 Collaborate with PTO to increase family engagement and family events at the school site.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

LCAP Goal 2: Increase parent and student engagement with an intentional focus on historically marginalized and underserved student populations (State Priority 3, 5, and 6)
 2.01 - Increase student attendance rates and reduce chronic absenteeism.
 2.02 - Increase the high school graduation rate and decrease the dropout rate for all students.
 2.03 - Reduce student suspensions, expulsion rates, and bullying incidents.
 2.04 - Increase opportunities for family engagement and parent input and the utilization of volunteers.
 2.05 - Improve the efficacy and accessibility of district communications to increase two-way engagement with all stakeholders and foster community partnerships.

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

The foundation of learning is a safe and welcoming environment where students and families feel connected. Gold Ridge will continue and increase parent/community partnerships to support student engagement during school day and beyond.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Average Attendance Rate	95.87 percent	97% or higher
Parent Volunteers	Increased Category 2 Volunteer applications and approvals this year	Increase awareness of Volunteer process

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Increased communication with parents on the importance of attendance. Implemented district-wide 20-Day attendance challenge. Included Attendance and Due Process in parent meetings for truant students. Bolster other means to suspension and preventative measures through a strong Positive Behavior tiered school-wide system.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will continue to address this goal in a similar manner. We will add more schoolwide Tier 1 and Tier 2 attendance incentives. We will also look at attendance patterns and create spirit days or fun activities to increase attendance before or after holiday breaks depending on last year's absence data. Our goal is to do more SARBs for students who chronically absence multiple years.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal 3

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

LCAP Goal 3: Professional learning and support for high quality instruction

Gold Ridge Elementary provides staff with professional development to support all students to reach high levels of learning.

3.1 School wide focus on foundational reading and math to remove barriers to success, increase student interest and participation, and provide scaffolding and support within the Tier 1 instruction.

3.1 Teach Second Step weekly to build social emotional learning skills.

3.2 MTSS Specialist will support teachers on instructional practices, PLC Collaboration time, and lead planning teams to ensure high quality instruction through strong Tier 1, 2a, 2b, and 3 practices.

3.2 Teachers will meet during PLC to choose essential standards, a curriculum that supports student needs, and use data to monitor the success of all students to plan for our intervention groups with our MTSS teacher that are fluid based on demonstrated student needs.

3.3 MTSS Specialist and program monitor will collaborate with teachers to plan instruction that focuses on instructional strategies in Tier 1 integrated ELL instruction and support curriculum and implementation in designated ELL time in small groups.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

LCAP Goal 3: All students will receive equitable, high-quality instruction that promotes college and career readiness through a broad course of study. (State Priority 2, 4 and 7)

3.01 - Provide Transformative Social Emotional Learning (T-SEL) and culturally relevant professional development on instructional strategies and essential standards.

3.02 - Provide professional development opportunities in quality first instruction.

3.03 - Ensure all teachers use research-based EL instructional strategies to guarantee students access to instruction and improve achievement.

3.04 - Provide access to A-G, CTE, IB, AP, and STEM courses to ensure students are college and career ready

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Teachers need additional time to collaborate, develop Common Formative Assessments (CFA), and identify students for intervention. This will be done in our Thursday weekly collaboration PLC meetings. Grade level teams will create SMART goals and CFAs to monitor program and make timely academic interventions. We have students in upper grade in the 2024/2025 who have not yet reclassified as English Proficient

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Professional Development (PD)	On-going professional development on culture and climate and PLC. Collaboration meetings are provided to develop common formative assessments and shared instructional practices. Training in new adoptions and established curriculum.	Students will receive instruction from well-trained teachers and have access to a guaranteed and viable curriculum
California Dashboard Distance from Standard (DFS)	DFS in ELA 15.8 - DFS in Mathematics 16.8	Move from the "green" band to the "blue" band on the Dashboard in both ELA and Mathematics

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Increased number of students achieving Reclassified Fluent English Proficient (RFEP). Parent engagement has increased by seeing the number of Category Two volunteer applications submitted and cleared. FCUSD (Folsom Cordova Unified School District) provided staff with opportunities for professional learning to optimize classroom instruction and practices. We worked on functioning as a Professional Learning Community (PLC) by providing release time for collaboration to analyze student outcomes and to plan flexible learning opportunities to help all students meet grade level standards. Professional development focused on strategies to help create safe and productive learning environments in our classrooms and our school (Second Step).

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

None.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Goal 4

Title and Description of School Goal

Broad statement that describes the desired result to which all strategies/activities are directed.

LCAP Goal 4: High quality instruction and curriculum

School Goals: High quality instruction with common core standards-based instruction; students will have access to curriculum, which promotes college and career readiness and options.

Provide a safe, healthy, and positive school environment where students feel connected and thrive (State Priority 1 and 6) At Gold Ridge, we will:

4.1 Principal will do walk throughs and evaluations for new and tenured staff on an eval cycle that will focus on supporting instructional coaching in ELL strategies, Increasing Student Engagement, and SEL.

4.1 New Teachers will be paired with a mentor through New Teacher induction.

4.1 We will hold a monthly PD in staff meetings and meet three Thursdays a month utilizing the PLC process to plan and deliver instruction that uses data for every student.

4.2 Custodian and Principal will inspect the site daily and collaborate on the monthly school maintenance checklist.

4.3 Teachers will teach the Second Step curriculum regularly in order to provide direct model social emotional learning.

4.3 Climate/PBIS team will meet monthly to plan for Tier 1 strategies to increase a positive learning environment focusing on our SOAR Expectations.

4.3 Parent Coordinator will reach out to families to increase participation in ELAC and SSC.

4.3 School will provide instructional supplies to support the academic content in order to strengthen our increase in student engagement, check for understanding, project-based learning, anchor charts, technology supplies, and general supplies to support our students.

LCAP Goal to which this School Goal is Aligned

LCAP goal to which this school goal is aligned.

LCAP Goal 4: Provide a safe, healthy, and positive school environment where students feel connected and thrive (State Priority 1 and 6)

4.01 - Maintain the appropriate assignment of fully credentialed teachers and provide new teacher support.

4.02 - Maintain schools in good repair.

4.03 - Educators use linguistically and culturally responsive instructional strategies and materials designed to address academic content standards and the cultural, social, physical, and emotional well-being of all students

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Teacher effectiveness is highly correlated with student achievement, as well as home support.

Annual Measurable Outcomes

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Provided professional development opportunities for teachers and classified staff. Fine-tuned collaboration time for teachers with high quality Professional Learning Communities work. Focus on fortifying Tier One instruction in classrooms. All teachers were evaluated on a regular basis and provided with meaningful feedback and when necessary, coaching to improve practice. The principal met with the induction provider and new teachers. We maintained

our school through monthly facility checks, frequent walk-throughs, and collaboration between the administrator and head custodian to ensure that all areas of the campus were well maintained. All teachers received adopted curriculum materials. Materials to support our English learners were used in all classrooms. Students received supplemental materials and online access to programs such as Mystery Science and Renaissance

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

None.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

None

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Wendy Sol	Principal
Tamara Sutton	Classroom Teacher
Tara Koelzer	Classroom Teacher
Nicole Vandermejde	Classroom Teacher
Emily Duarte Alternate	Classroom Teacher
Sumaya Tayara	Parent or Community Member
Stefanie Ellis	Other School Staff
Angelica Ann Castro	Parent or Community Member
Sari Dierking	Parent or Community Member
Latifa Hadzijusufovic	Parent or Community Member
Brooke Webster Alternate	Classroom Teacher
Janelle Marion	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

English Learner Advisory Committee (ELAC)

A committee comprised of parents, staff, and community members specifically designated to advise school officials on English Learner program services. Education Code Section 35147 (c), 52176 (b), and (c), 62002.5, and 64001 (a). The current make-up of the ELAC is as follows:

Name of ELAC Members	Role
Tara Koelzer	Classroom Teacher
Latifa Hadzijusufovic	Parent or Community Member
Wendy Sol	Principal
Sumaya Tayara	Parent or Community Member

Parents of English learners must comprise the same percentage of the ELAC membership as English learners constitute of the school's total student population. Example, if 25% of the students in a school are English learners, then parent/guardians of English learners must comprise 25% of the ELAC membership. Other members can be parent/guardians, school staff, and/or community members as long as the minimum percentage requirement for EL parents is maintained.

Each California public school, grades kindergarten through 12, with 21 or more English learners must form an ELAC.

1. The ELAC shall be responsible for advising the principal and staff on programs and services for English learners and the School Site Council on the development of the School Plan for Student Achievement (SPSA)
2. The ELAC shall assist the school in the development of:
 - a. The school's needs assessment.
 - b. The school's annual language census.
- c. Ways to make parents aware of the importance of regular school attendance.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 14, 2025.

Attested:

Principal, Wendy Sol on 5/14/2025

SSC Chairperson, Stefanie Ellis on 5/14/2025

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp) pursuant to California *Education Code (EC)* Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with *EC* 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below.

For additional questions or technical assistance related to LEA and school planning, please contact the CDE's Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the LEA, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Plan Description

Briefly describe the school's plan to effectively meet the ESSA requirements in alignment with the LCAP and other federal, state, and local programs.

Additional CSI Planning Requirements:

Schools eligible for CSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal CSI planning requirements.

Additional ATSI Planning Requirements:

Schools eligible for ATSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal ATSI planning requirements.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Within California, these stakeholders are referred to as educational partners. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Educational Partner Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Additional CSI Planning Requirements:

When completing this section for CSI, the LEA must partner with the school and its educational partners in the development and implementation of this plan.

Additional ATSI Planning Requirements:

This section meets the requirements for ATSI.

Resource Inequities

This section is required for all schools eligible for ATSI and CSI.

Additional CSI Planning Requirements:

- Schools eligible for CSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the CSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Additional ATSI Planning Requirements:

- Schools eligible for ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the ATSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Comprehensive Needs Assessment

Referring to the California School Dashboard (Dashboard), identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

SWP Planning Requirements:

When completing this section for SWP, the school shall describe the steps it is planning to take to address these areas of low performance and performance gaps to improve student outcomes.

Completing this section fully addresses all SWP relevant federal planning requirements.

CSI Planning Requirements:

When completing this section for CSI, the LEA shall describe the steps the LEA will take to address the areas of low performance, low graduation rate, and/or performance gaps for the school to improve student outcomes.

Completing this section fully addresses all relevant federal planning requirements for CSI.

ATSI Planning Requirements:

Completing this section fully addresses all relevant federal planning requirements for ATSI.

Goals, Strategies/Activities, and Expenditures

In this section, a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Additional CSI Planning Requirements:

When completing this section to meet federal planning requirements for CSI, improvement goals must also align with the goals, actions, and services in the LEA’s LCAP.

Additional ATSI Planning Requirements:

When completing this section to meet federal planning requirements for ATSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

Goal

Well-developed goals will clearly communicate to educational partners what the school plans to accomplish, what the school plans to do in order to accomplish the goal, and how the school will know when it has accomplished the goal. A goal should be specific enough to be measurable in either quantitative or qualitative terms. Schools should assess the performance of their student groups when developing goals and the related strategies/activities to achieve such goals. SPSA goals should align to the goals and actions in the LEA's LCAP.

A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach.

A S.M.A.R.T. goal is:

- **Specific,**
- **Measurable,**
- **Achievable,**
- **Realistic, and**
- **Time-bound.**

A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

Additional CSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the Dashboard and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

Additional CSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the

baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

Additional CSI Planning Requirements:

When completing this section for CSI, the school must include school-level metrics related to the metrics that led to the school's eligibility for CSI.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Strategies/Activities Table

Describe the strategies and activities being provided to meet the goal.

Complete the table as follows:

- Strategy/Activity #: Number the strategy/activity using the "Strategy/Activity #" for ease of reference.
- Description: Describe the strategy/activity.
- Students to be Served: Identify in the Strategy/Activity Table either All Students or one or more specific student groups that will benefit from the strategies and activities. ESSA Section 1111(c)(2) requires the schoolwide plan to identify either "All Students" or one or more specific student groups, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners.
- Proposed Expenditures: List the amount(s) for the proposed expenditures. Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to EC Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.
- Funding Sources: List the funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Planned strategies/activities address the findings of the comprehensive needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

Additional CSI Planning Requirements:

- When completing this section for CSI, this plan must include evidence-based interventions and align to the goals, actions, and services in the LEA's LCAP.
- When completing this section for CSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.

Note: Federal school improvement funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.

Additional ATSI Planning Requirements:

- When completing this section for ATSI, this plan must include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

- When completing this section for ATSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.
- When completing this section for ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the ATSI designation.

Note: Federal school improvement funds for CSI shall not be used in schools identified for ATSI. Schools eligible for ATSI do not receive funding but are required to include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

Annual Review

In the following Goal Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Goal Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal.

- Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between the intended implementation and/or material difference between the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Note: *If the school is in the first year of implementing the goal, the Annual Review section is not required and this section may be left blank and completed at the end of the year after the plan has been executed.*

Additional CSI Planning Requirements:

- When completing this section for CSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal CSI planning requirements.
- CSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI planning requirements.

Additional ATSI Planning Requirements:

- When completing this section for ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal ATSI planning requirements.
- ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for ATSI planning requirements.

Budget Summary

In this section, a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp.

Note: *If the school is not operating a Title I schoolwide program, this section is not applicable and may be deleted.*

Additional CSI Planning Requirements:

- From its total allocation for CSI, the LEA may distribute funds across its schools that are eligible for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Note: *CSI funds may not be expended at or on behalf of schools not eligible for CSI.*

Additional ATSI Planning Requirements:

Note: *Federal funds for CSI shall not be used in schools eligible for ATSI.*

Budget Summary Table

A school receiving funds allocated through the ConApp should complete the Budget Summary Table as follows:

- **Total Funds Provided to the School Through the ConApp:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving funds from its LEA for CSI should complete the Budget Summary Table as follows:

- **Total Federal Funds Provided to the School from the LEA for CSI:** This amount is the total amount of funding provided to the school from the LEA for the purpose of developing and implementing the CSI plan for the school year set forth in the CSI LEA Application for which funds were received.

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the Schoolsite Council (SSC). The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need).
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to:
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved.
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards.
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
 - B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will:
 - a. Provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. Use methods and instructional strategies that:
 - i. Strengthen the academic program in the school,
 - ii. Increase the amount and quality of learning time, and
 - iii. Provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. Strategies to improve students' skills outside the academic subject areas;
 - ii. Preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. Implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. Professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. Strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the LEA (may include funds allocated via the ConApp, federal funds, and any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
 1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to:
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

For questions or technical assistance related to meeting federal school improvement planning requirements, please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with educational partners (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*);
2. Include evidence-based interventions (*Sections: Strategies/Activities, Annual Review and Update, as applicable*) (For resources related to evidence-based interventions, see the U.S. Department of Education’s “Using Evidence to Strengthen Education Investments” at <https://www2.ed.gov/fund/grant/about/discretionary/2023-non-regulatory-guidance-evidence.pdf>);

Non-Regulatory Guidance: Using Evidence to Strengthen Education Investments

3. Be based on a school-level needs assessment (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the LCAP and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Additional Targeted Support and Improvement

A school eligible for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.
