

I'VE COMPLETED MY PE WAIVER FORM. WHAT IS NEXT?

Once processed, the student will receive a Schoology message from Troy Ballou with instructions on how to get started on the PE Waiver course. Typically, he does not send this message out to students until **AFTER the due date to sign up has passed.**

Please give staff up to a week to process your waiver request. Completing the PE Waiver form by the due date gives students more than ample time to complete all course assignments.

There will be a few short assignments (approx. 5-10 minutes each) to complete throughout the semester. There will also be a short final exam. Students that do not complete the coursework will receive an NC (no credit).
