Middle School
Backpack & School Supply Drive

Middle School is hard enough on kids without adding the pressure of not being prepared for class.

Help the Hillsboro Schools Foundation equip 200 underserved middle school students with backpacks filled with essential school supplies—like binders, notebooks, and pencils—so they can start the year confident and ready to learn!

$25.00 covers 1 student's backpack and supplies.

If you would like to donate supplies, they can be dropped off at the HSF market booths in downtown Hillsboro (7/29, 8/16, & 8/19), or at our office at 5625 NE Elam Young Pkwy, Suite 100.

Please go to hsfonline.org to make a monetary donation.

Thank you for your support!
