SEPTEMBER

Principals' Blurb

Welcome to the 2025-2026 school year. I hope your summers were refreshing, rejuvenating, and restful. I am so excited for the school to be filled with the energy and enthusiasm that each and every student at Northland brings through our doors.

As we begin this new school year, let us welcome and marvel at the seasons' changes. *Change is inevitable; growth is optional.* I encourage you to help your children see and accept new situations and challenges as opportunities for growth. At Northland Elementary, we want our students to become responsible citizens and successfully navigate the world. We want to prepare our youth for the complex, diverse and challenging world they will encounter as adults.

Let's make this a great year!
