

MTSD District Goals 2025-2026

LAUNCHING THE NEXT CHAPTER

GOAL #1

BUILDING MOMENTUM

District Goal 1: By June 30, 2026, Student achievement will continue to increase through the use of data-driven, student-centered instruction and MTSS intervention practices.

- Support teachers through targeted professional development in all curricular and intervention programs.
- Continue to build staff capacity to leverage multiple data points to plan instruction and intervention.
- Implement i-Ready programs in ELA and math to increase structured literacy instruction, build math fluency, and set ambitious goals for student success.
- Train and support teachers in designing cooperative learning experiences that promote peer interaction, inquiry-based learning, and critical thinking.

OUR COMMITMENTS

BUILDING MOMENTUM

- We will invest in our teachers as innovators and leaders, equipping them with the tools and confidence to ignite learning in every classroom.
- We will cultivate a culture where data tells each student's story and guides us in unlocking their full potential.
- We will introduce dynamic programs that spark a love for reading, sharpen mathematical thinking, and set high standards for achievement.
- We will create vibrant learning communities where curiosity drives discovery, peers learn from one another, and every voice matters.

GOAL #2

CULTIVATING COMMUNITY

District Goal 2: By June 30, 2026, MTSD will implement a schoolwide Positive Behavioral Interventions and Supports (PBIS) framework for grades PK–6, using common language, clearly defined behavioral expectations, and effective classroom management strategies. The goal is to increase positive student behavior, reduce disciplinary referrals by 20%, and promote a more consistent and supportive school culture.

- Provide professional development to staff in PBIS, the Nurtured Heart Approach, and cooperative learning strategies.
- Create and teach a common language and behavior expectations to all students using developmentally appropriate strategies.
- Use consistent classroom management tools and language to promote a strengths-based culture and build a positive learning community.

OUR COMMITMENT CULTIVATING COMMUNITY

- We will model respect, empathy, and collaboration in every interaction with students, staff, and the larger school community.
- We will strengthen school culture through proactive behavioral supports and positive relationship-building.
- We will embrace professional development that equips staff to build strong, positive relationships with students and families.
- We will engage families as partners in reinforcing positive expectations and celebrating student successes.

GOAL #3

CHARTING A FUTURE OF EXCELLENCE

District Goal 3: By June 30, 2026, MTSD will develop and adopt a comprehensive five-year strategic plan that reflects the shared vision, priorities, and values of students, staff, families, and the broader community. This plan will serve as a roadmap to guide future decision-making, resource allocation, and continuous improvement.

- Establish a Strategic Planning Steering Committee.
- Engage the community through meaningful stakeholder input.
- Conduct a comprehensive needs assessment.
- Develop a clear and actionable strategic plan.
- Communicate and launch the strategic plan.
- Implement ongoing monitoring and progress reporting.

OUR COMMITMENT

CHARTING A FUTURE OF EXCELLENCE

- We will lead with purpose by establishing a Strategic Planning Steering Committee that honors the input of each member of the school community and champions our shared vision for the future.
- We will seek deep understanding through a thorough needs assessment, ensuring our decisions are grounded in insight and evidence.
- We will craft a bold and actionable five-year Strategic Plan that inspires progress and unites our district around common goals.
- We will launch the plan with clarity and enthusiasm, so every student, staff member, and family member understands their role in our shared journey.
