

ZIONSVILLE COMMUNITY HIGH SCHOOL

Mission

Zionsville Community Schools will cultivate a learning environment where students grow academically, develop meaningful skills, and become active contributors to their communities. Through innovation, inclusion, and a strong sense of belonging, we prepare students to live with confidence and integrity.

The Community

Zionsville, Indiana is a charming small town northwest of Indianapolis, known for its brick-paved Main Street, historic buildings, and unique shops. The town offers excellent schools, a strong sense of community, and plenty of parks and green spaces for outdoor activities. Combining Midwestern charm with modern amenities, Zionsville is a peaceful place to live with easy access to the city.

Strong in Every Way

Zionsville Community Schools actively support dignity, humanity, and inclusion for all. We expect that all adults and students will contribute to creating and sustaining classroom and school cultures of dignity, community, and partnership by:

- celebrating our differences
- building relationships
- ensuring a safe school environment
- preparing youth to thrive in our global world
- understanding that hate has no home in ZCS
