**Honors, AP, and CCP classes are weighted to reflect the extra time, effort, and work that will be required for the course.**

**There are 3 weights that are assigned to reflect these courses:**

**1.1, 1.2, 1.3.**

**Each of these weights should be multiplied to the grade earned for the particular class.**

**Using the weighted system the course would now reflect one of the following: 3.3, 3.6, 3.9.**

**GCCS uses a**

**4.0**

**point grading scale**

i.e. if a student earns an 85% in a course that is a "B" on a traditional point scale, it is a 3.0.
