## From Curiosity to Career Readiness

### MUSD K-8 School Coming July 2026

Dear MUSD Families,

#### **Building the Future**

Brick by brick, our walls of the first K-8 school are rising. For our families, this means a new choice. It will be a place where students can learn, grow, and build lasting connections through the lens of work-based learning.

#### **Learning Beyond the Classroom**

Beyond jobs or internships, students in our K-8 school:

- Builds awareness, sparks curiosity, and encourages career exploration
- Connect classroom lessons to the real world
- Develop the skills tomorrow's employers need

#### **Your Voice Matters**

We want your input as we design this model. Please take a few minutes to complete our survey:

Thank you for choosing MUSD!

Sincerely,

Dr. Tracey Lopeman  
Superintendent, Maricopa Unified School District
