

Teacher Effectiveness and Preparation

Paraeducator Training

Funding for registration and \$1,500 stipend available through Project CLEAR for public school paraeducators.

What is a Paraeducator?

A paraeducator, sometimes called a classroom assistant, is an individual who provides instructional or related support to students under the direction and supervision of a certified teacher. The roles and responsibilities of paraeducators are plentiful and have reached new levels of importance.

What will be covered in this course?

- The Heart of a Paraeducator
- Professionalism
- Legal and Ethical Issues
- Co-teaching, Collaboration & Communication
- Behavior Modification & Supports
- Executive Functioning
- Data Collection

Completion of this course is equal to 15 hours of professional development and will earn you a badge of certification.
