No School? No Worries!

School Days Out 2025-2026 @ the Buehler YMCA

When school is not in session, the Y's School Days Out Program helps working parents keep their school-age (kindergarten-5th grade) children safe and engaged with a full day of fun and enriching activities. The program is available 7:00am to 6:00pm. Regardless of the program, our dedicated staff makes sure children are developing the values, skills, and relationships that lead to positive behavior, better health, and greater educational achievement.
