Priorities

Priority 1: Strategic Plan Objective 1.2- Develop and deliver systems for learning that articulate expectations and provide support for all staff, campus administrators and district office leaders to ensure engaging, high levels of learning for all students.

Goal 1: By the end of the 2024-2025 school year, Academy High School will implement an effective PLC process with a focus on learning for growth for both learners and facilitators.

Performance Target: Students moving from meets to masters on STAAR assessments will increase by 5%
Students moving from approaches to meets on STAAR assessments will increase by 5%
75% of Juniors will meet CCMR indicator score on school day SAT
70% of AP tests will score 3 or higher

Expected Result: Teacher effectiveness will improve in planning and instructional design and delivery, so that gaps in student group population performance on MAP, STAAR, and EOCs will decrease and overall student achievement will increase.

Priority 2: Strategic Plan Objective 2.3- Increase access and opportunities for students to achieve CCMR readiness status (Pre-K through 12th grade system).

Goal 1: By the end of the 2024-2025 school year, all members of the class of 2025 at Academy High School will meet the TEA standard to be considered college, career, military ready.

Performance Target: 100 % of 2024-2025 Seniors will be CCMR met
SAT School Day will increase to 75% CCMR met

Expected Result: Learners will prioritize achieving this distinction.

Priority 3: Strategic Plan Objective 4.4- Engage the community through timely, consistent and innovative communication.

Goal 1: By the end of the 2024-2025 school year, Academy High School will have an updated website that more accurately communicates the vision, mission, purpose, and daily activities of the campus, the staff, and learners.

Performance Target: 100% of grade-level teams will provide project updates and information that will be added to the campus website.
Increase number of regular users of Academy High School website by at least 5%

Expected Result: Transparent communication will help negate misconceptions about our unique learning environment.

Goal 2: Create a consistent system to support authentic corporate/expert engagement during project planning, before a project begins, during a project, and for project presentation feedback.

Performance Target: 100% of Academy projects will include partnership with at least one company.
100% of curriculum content folders in the AHS curriculum database will include a project folder that contains all contacts, processes, needs, etc.

Expected Result: Corporate engagement will increase the knowledge base for facilitators and it will also increase the authenticity of each project.
