

Welcome to a new school year! I am so thrilled to be teaching fifth grade! I started my career at Warwick in fifth grade many, many years ago. It is exciting to be back, especially having the honor of being with your children as they learn and grow in their last year at Warwick Elementary.

This year we will be exploring fascinating topics, and diving into exciting books, with the primary goal of growth as a learner and as a part of the classroom community.

Communication is key, please always email to let me know if there is anything that I can do to best support your child through this school year.

Tuesday, September 2nd is the first day of school for students. Our classroom is **Room #26.** **Back to School Night is September 3rd @ 6:45pm.**

The 5th grade supply list is still on the website, but I am including a link below as well. Students should bring their supplies on the first day of school. Please remember an independent reading book, water bottle and snack as well.

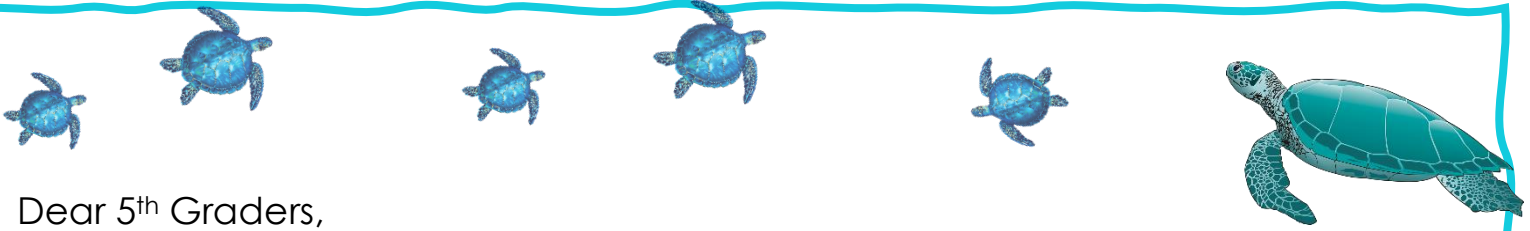

Supply List: [Supply List 5th 2025.26.pdf](#)

I feel lucky to be a part of your child's journey this year!

Looking forward to a wonderful year together,

Elaine Lee

Dear 5th Graders,

Are you ready for an exciting year? I hope you had an awesome summer filled with fun and some time to relax as well. I spent time this summer with my family at home and at my favorite place (the beach 🤙). My daughter Bella is a senior this year, and son Evan is starting high school. They will both be at CB South. Our dogs Ruby and Charlie always keep us entertained! I look forward to working with you this year and exploring the fifth-grade curriculum.

Read the information below to find out what you will be learning in fifth grade and important information about our school year.

💙 Mrs. Lee

What will we be learning?

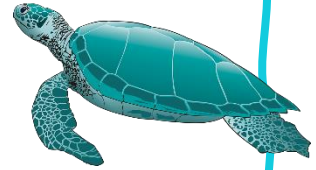

Reading and Writing

- Get ready for reading and writing in fifth grade! There will be direct instruction on key reading strategies and skills, with the goal of improving comprehension.
- Our read alouds will be one of the tools used for introducing and practicing reading strategies. As fifth graders you will actively listen, discuss, take notes, and respond to literature.
- Independent reading will involve self-selected reading materials to support and enhance reading skills and strategy development.
- As a school we will build on “The Year of the Sentence” with “The Year of the Paragraph”.
- We will study mentor texts and authors and through the Writing workshop we will create pieces in the following modes.
 - Narrative, Science Fiction, Argumentative, Informational, and Poetry

Science

Here are some of the great topics that we will study in Science:

- ↯ Ecosystems and Food Webs
- ↯ Matter and Chemical Reactions
- ↯ Earth and Space Patterns

Social Studies

Here are some of the great topics that we will study in Social Studies:

- ↯ Economics
- ↯ Geography
- ↯ Native Americans
- ↯ History of the United States
- ↯ Current Events

10784.36
5 × 2152.72
2.719372

Math

Here are some of the great topics that we will study in Math:

- ↯ Multiplication and Division of Fractions
- ↯ Triangular Numbers and Tree-Diagrams
- ↯ Locating Part of a Coordinate Plane
- ↯ Converting Linear Measurements
- ↯ Applying Concepts of Volume
- ↯ You will be using these tools to learn how to solve real life problems. 🤔
