

Decision Making

The ability to make caring and constructive choices about personal behavior and social interactions across diverse situations. This includes the capacities to consider moral and ethical standards, safety concerns, and to evaluate the benefits and consequences of various actions for personal, social, and collective well-being.

- Demonstrating curiosity and open-mindedness
- Identifying solutions for personal and social problems
- Learning to make a reasoned judgment after analyzing information, data, facts
- Anticipating and evaluating the consequences of one's actions
- Recognizing how critical thinking skills are useful both inside & outside of school
- Reflecting on one's role to promote personal, family, and community well-being
- Evaluating personal, interpersonal, community, and institutional impact
