

Marshdale WatchDOGS needs YOU!

The WatchDOGS program is a fantastic way for fathers, mothers, grandparents, and caregivers to get involved at Marshdale in the school during the school day. We help with drop off and pick up, recess, lunch, classroom activities (with a teacher's guidance), and being additional eyes and ears at the school entrances.

WatchDOGS can volunteer in the morning, afternoon, or all day - for one day (your student's birthday is a popular choice) or as many days as you'd like. Marshdale's students and staff love having us in the school! (And it's a ton of fun!)

Scan the QR code below or visit <https://marshdale.jeffcopublicschools.org/connect/volunteer> for more information on the Marshdale WatchDOGS program, or contact Shawn Boyce at watchdogsmarshdale@gmail.com to get registered.
