Health and Wellness

The health and safety of all students and staff at Kratt is of the utmost importance to us. To help prevent the spread illnesses please screen your child each morning for the symptoms below:

- Feeling fever, body aches, or chills
- Respiratory symptoms (new or worsening shortness of breath, cough, runny nose, sore throat, or new loss of taste or smell)

If your child has any of the above symptoms, please use caution and keep them at home.

We have set up safety protocols throughout the school to include:

- Each classroom will have its own set of disposable first aid items
- Daily disinfecting and sanitizing
- Students who show symptoms throughout the day will be evaluated by the school nurse and could possibly be sent home.

Breakfast/Lunch

Kratt School provides a free breakfast and lunch satellite meal program to all students, which is prepared in a FUSD central kitchen and transported to the school daily. The lunch consists of a hot or cold pack, cold vegetables, fruit, and milk. Students with allergies must have a doctor's verification for an alternative meal choice to be provided. To access the menus online, please visit:

fresnounified.nutrislice.com/menus

Attendance/Tardies

It is very important that your child be at school on time each day when healthy. School begins promptly at 8:15 am to be on time. Students will be marked tardy when arriving to class after 8:15. If arriving after 8:15 am, students should report to the office to get an admittance slip to enter class.

If your child is absent from school, please call the **attendance line** on the morning of the absence at **451-4512**, or send a note on Parent Square. Please be specific when stating the reason for the absence: cold, fever, out of town, etc.

Visitors and Volunteers

For the safety of our students, all visitors and volunteers must bring valid ID and check in at the office before entering campus. Volunteers are required by FUSD policy to complete a District Volunteer Form to be kept on file in the school office. This form includes a requirement to disclose any prior criminal convictions and must be filed annually. All volunteer forms for field trips must be filed three weeks prior to the scheduled field trip. All visitors must wear a Visitor's Badge and be checked in by the Raptor Visitor Management System while on campus.

Emergency cards

Yellow emergency cards are sent home on the first day of school or upon registration. It is very important that the information on these cards be current. Please make sure to include a valid email, so that we have another way to communicate with you. You can also update contact information on the Atlas Parent Portal or email our school office throughout the year. Your parent portal log-in information can be found on your child's report card. Having up to date information is critical in the case of an emergency or the need to contact a parent/guardian.

Medication

No medication may be taken at school unless it is prescribed by a doctor and a signed consent form has been filled out by that doctor. This form must be updated annually and any time the medication changes. Medications must be delivered to the Nurse's Office in the original bottle and will be kept in a locked cabinet. You can pick up a medication consent form from our school office.

Court Orders

Parent/guardian must give the office copies of any legal documents that explain special circumstances regarding custody, visitation rights, etc. All parents will be given equal rights for information about their children UNLESS you provide documentation that states otherwise.

Homework for Absent Students

If your child is absent from school and you wish to obtain his/her homework, please notify the school before 10:00 am. This will give the teacher time to gather materials and send the homework to the office for pick-up after 2:45 pm. This should be done for each school day of the absence period so that your child can keep up with the classroom assignments.

Homework

Homework is an integral part of each student's education at Kratt. All students are expected to complete their homework on time and to the best of their ability, as assigned by their classroom teacher. Homework may be a completion of work begun in class, a review of concepts, or an extension of previously introduced work. Parents can help their children with this important student and organizational skill by:

1. Providing a study area at home, free from distractions.
2. Providing a designated time each day for homework.
3. Encouraging your child and offering positive reinforcement.
4. Supervising the completion of homework and giving assistance, if needed, without doing the homework for your child.
5. Discussing concerns with your child's teacher, if your child is struggling with homework.

Grades

Kindergarten and Grade 1: Students are given progress indicators based on growth in Language Arts, Mathematics, and Social Skills.

Grades 2-6: Grades will be given through a variety of assessments and class assignments. The grading scale is:

90 – 100%	A
80 – 89%	B
70 – 79%	C
60 – 69%	D
Below 60%	F

Progress Reports/Deficiency Notices (Grades 1-6)

Parents will receive a mid-quarter progress report in addition to the quarterly report cards. Please sign and return these to the teacher. Teachers will gladly schedule a conference to discuss your child's progress.

You can check your child's grades anytime at the ATLAS parent portal - <http://m.fresnou.org/parents/index.php> or by signing up with Edu Text at 28527.

Technology Routine

It is critical that every child has access to an electronic learning device both at home and at school. Upon entering any FUSD school, every child is provided with a learning device through our FLATS centers. It is expected that all children will bring their technology device to and from school with them every day. You can help your child be successful with this by making sure they have an adequate backpack to carry their laptop and charging cord, know your child's log in information, as well as familiarize yourself with how to access our online learning curriculum, to help support your child. If you need support with accessing FLATS please communicate with our Home School Liaison.

FUSD Acceptable Use Policy for Technology

The policy was written to inform students, their families, and staff about the acceptable ways in which information technology systems may be used in FUSD. FUSD is committed to improving student achievement and preparing all students to be career-ready graduates. District Technology, which includes but is not limited to computer hardware, software, and the Internet provide powerful tools to access information and communicate with people, enhancing learning and enabling the district to operate. With the constant introduction of new technology, new ways to communicate, and new ways to access and transfer information, it is therefore critical that the district continue to define a policy that ensures a safe learning environment for student and staff as well as the protection of the district's technology. The use of FUSD technology is offered to students and staff as a privilege which must be safeguarded by all learners. For more information go to: <http://www.fresnounified.org/aup/default.aspx>

Family Technology Center

Parents can call #457-3939 for assistance with technological needs. You can also visit their website at: flats.fresnounified.org to find a FLAT center location nearest you. You can visit them during school hours for assistance with technology needs (lost, stolen, damaged, or non-working devices and troubleshooting). Issues with technology are not addressed at the school site or by school site personnel.

Why This New Policy Matters

Encourages Responsibility

Teaches students to care for valuable technology

Supports Learning

Ensures continuous access to digital resources

Supportive Approach

Designed to help, not punish, with clear steps

Lost or Stolen Devices

- All lost or stolen devices must be reported to the school immediately.
 - If negligence is found, the student may lose take-home access right away.
 - Students transferring or exiting the district must return all devices before leaving.
-

About the Device Care Refresher Module

This short online course helps students understand how to safely care for their devices. It includes videos, interactive questions, and real-world examples. Students must pass a short quiz to show understanding before continuing to use their device

Need Help or Have Questions?

Please contact your school. We want every student to succeed with safe and responsible device use.

What Happens If a Device Is Damaged?

1st Incident – Awareness Notification

- A letter is sent home with details of the incident.
- The student must complete an online Device Care Refresher Module (15–20 minutes).
- There is no loss of take-home privileges at this time, but the incident is logged.

2nd Incident – Support & Guidance Meeting

- A meeting is scheduled with a parent/guardian and school staff.
- The student and parent/guardian sign a Device Responsibility Agreement.
- Depending on the situation, the student may temporarily lose take-home access.

3rd Incident – Device Use Becomes In-School Only

- The student loses the ability to take the device home for the rest of the school year.
- The device can only be used on campus during school hours.
- A final review meeting is held to discuss future eligibility for take-home use.

Kratt Guidelines for Success

The Guidelines for Success represent a set of skills, traits, and attitudes that everyone in our school strives to demonstrate. They should remind everyone of our efforts to promote a culture of respect.

Kratt Bulldogs BARK Everyday:

B – Be Respectful

A – Act Responsibly

R – Remember Safety

K – Kindness Matters

Kratt Behavior System

Kratt has developed a 3 level Behavior System.

Level 1 behaviors are minor and will be corrected by the adult in charge.

Level 2 behaviors are more serious, and the student will receive a consequence from the teacher.

Possible consequences could include loss of privileges, timeout, phone call home.

Level 3 behaviors are those behaviors that are chronic level 1 or 2 behaviors, behaviors that pose a threat to students or adults, pose a threat to physical safety and/or shut down the learning environment.

Level 3 behaviors will be handled by an administrator and necessary disciplinary action will be taken.

Possible consequences could include loss of privileges, detention, pre-suspension, restitution, suspension, or expulsion.

Classroom Behavior Protocols

All classrooms support the school wide discipline policy; however, each individual teacher may design a separate behavior system that is more relevant to the needs of their individual classroom. Please make sure that you are aware of the expectations of your child's teacher and support those expectations.

Library Policy

1. Grade 2-6 students in good standing can check out no more than two library books at a time. (Teacher discretion applies: Teachers may start off the school year with one book at a time until good reading habits develop.) First grade students in good standing can check out one book at a time.
2. If a book is overdue by 6 weeks, it will be marked as lost. Students who have an outstanding fine for lost or damaged library books from Kratt Elementary School will not be allowed to check out any library books until: the book is found and returned in good condition; or the fine has been paid in full. If the fine is for a damaged book, the book will be given to the student once paid in full.
3. Appropriate and respectful library behavior is expected from all students during their visits to the library with their class..

Educationally Appropriate Dress and Appearance:

It is our intent to provide a safe and secure learning environment for all students at Kratt.

According to FUSD Board Policy, the responsibility for the dress and appearance of a student rests primarily with the student and their parents or guardians. In the interest of maintaining an appropriate learning environment, the district believes in the following basic principles:

- All students are encouraged to dress in a manner that is appropriate, comfortable, and conducive to an active academic school day.
- Students should be able to wear clothing without fear of or actual unnecessary discipline or body shaming.
- The student dress code should serve to support all students to develop a body-positive self-image.
- The district standard dress and appearance policy is gender neutral and applies to all students equally regardless of gender on school campuses and at school-sponsored functions and will be enforced consistently and fairly by all members of the school staff.
- Clothing and hair styles are a matter of personal choice (except for schools with uniforms). The school shall be concerned only when this impacts the health and safety of students and staff.
- Shoes must have a back or heel strap for safety.
- Principal or designee may add additional requirements based on site and student need.

Examples of inappropriate clothing include:

Home-School Communication

Ongoing communication between school and home will help everyone stay informed and involved in providing the best education possible for students. The school provides this Parent/Student Handbook, a Kratt communication folder, updated information on our website: kratt.fresnounified.org and the weekly "The Bulldog Brief" online newsletter to inform you of school policies, procedures, and events. You can view our weekly online newsletter by visiting our Kratt website.

All paper communication from the school will go home on Mondays so please make sure to check the communication folder each Monday and return the folder to school on Tuesday.

Student progress is communicated through teacher notes, phone calls, e-mails, parent conferences, progress reports, graded work, report cards, and district and state test results. Parents can regularly check ATLAS to access student grades and assignment information. Student performances and other school wide events provide the opportunity for parents to celebrate student accomplishments and see how students are achieving. Please call or email the school any time should you have questions or concerns.
