JACKSON-MADISON COUNTY SCHOOL SYSTEM

Chase for Commissioners' Cup, County Championship underway

Coaches joined local media to discuss 2025 football season, share expectations with community

Our district athletic department held a media day for the Commissioners' Cup at Rock N Dough Pizza, a showcase that mixes competition with community pride. Coaches from **Jackson Central-Merry, North Side, South Side, and Liberty Tech** shared their goals, with JCM's Eric Turner vowing to continue his program's progress; North Side's Woodrow Lowe, Jr. is eager to compete for a region title; South Side coach Lester Narcisse emphasized restoring his program's winning

tradition; while Liberty Tech's Robert Gillard called the Commissioners' Cup an annual goal for the Crusaders. Established in 2018 with support from County Commissioners, the Cup pairs schools with local first responders, raising stakes and bragging rights! Commissioner Jeff Wall said the Cup enriches football season across Madison County! I'm rooting for all of our JMCSS teams and look forward to following their progress all season long!

Okay, it's almost time! If you're a parent like me, **you have questions**. The best way to get answers from your child's school—or the district—is through Let's Talk. Visit www.jmcss.org/letstalk to get started.
