

# Wellness

## FOUNDED IN 2025

Elemental LifeSpa's mission is to help you unlock metabolic health, peak energy, and total body renewal with an advanced red-light bed that targets visceral fat and stimulates deep cellular activation.

## SERVICES PROVIDED:

- Improve your health, performance, and well-being
- Discover precision-dosed nootropic solutions designed to enhance focus, recovery, and overall cognitive health
- Biohacking targets fat loss by optimizing how your body works at the cellular and hormonal level
