

Welcome to TPS

...at the Forefront of Education.

WHO ARE WE?

With approximately 3,600 students attending our six schools, the Tenaflly Public School District is known for its academic excellence and high student achievement.

Our diverse student population has the opportunity to learn from highly qualified teachers, and to participate in a wide variety of social, cultural, academic and athletic clubs and programs that are greatly supported by our parent organizations.

WHY TENAFLY?

Our schools are communities dedicated to the development of the full potential of each student – academically, socially, physically, and emotionally.

We hire teachers, administrators and support staff who aspire to be the best so they can inspire creativity and academic growth within in a safe and nurturing learning environment.

OUR SCHOOLS

ELEMENTARY

Each of our four elementary schools have a media center, robust art and music programs, and beautiful grounds for playing outside.

MIDDLE SCHOOL

Supporting grades 6-8, Tenaflly Middle School offers academic and emotional support programs, and has one of the finest music programs in the state.

HIGH SCHOOL

Tenaflly High School is consistently recognized as the top public high school in Bergen County and among the best in the state. Our students enjoy a vivacious school environment, and more than 95% of our graduating seniors attend four-year colleges.
