

Tier 1 - Core Instruction

What is Tier 1?

- At Tier 1 (also known as core instruction), all students receive scientific, research-based core instruction implemented with integrity and emphasizing grade-level standards and school-wide behavioral expectations.
- Instruction at Tier 1 should be explicit, differentiated, and include flexible grouping, [active student engagement](#), and high-quality instruction based on current student data and needs.
- Tier 1 in MTSS should be accessible and provide support to 100% of students.
