

**Maryville City Schools  
iReach Protection Plan  
\$40.00 for individual students; Family Rate \$100.00**

Maryville City Schools offers an optional iReach Protection Plan for families of students in grades K-12. The chart below details the applicable charges for damages that would be billed to families with the Protection Plan and to families that choose not to purchase a Protection Plan.

The MCS iReach Protection Plan may be purchased at any time; however, the best option is to purchase the plan at the beginning of the school year because the plan must be purchased prior to any damage claim. The Plan will not cover damages that occurred prior to purchasing the Protection Plan. Any Plan purchased after Labor Day requires a device inspection before the purchase of the Protection Plan. In addition, the annual Protection Plan expires at the end of each school year and must be renewed annually.

The Protection Plan provides coverage for the cost of replacing or repairing devices on a sliding scale based on the level and frequency of damage. Families who elect not to purchase the iReach Protection Plan will be charged full prices for all damages. Even if the Protection Plan is purchased, intentional and willful damage will be billed for the full payment minus the Protection Plan Purchase. No additional discount will occur for intentional damage. The Plan does NOT include loss or theft.
