Our Back-to-School Spirit Week Grade Level Competition had quite the ending. After an amazing comeback by the eighth graders during our Friday lunchtime tricycle races, they were in the lead by 83 points. Going into the final competition, the 8th graders had 1055, while the 6th graders had 972 points. The 7th graders were not too far behind with 850 points. During the final race in front of the entire school, the 7th graders tried with all of their might and finished first in the relay, but they came up 22 points shy of taking the first-place position. Due to the 6th graders coming in second place, they were able to take back their lead and were named the **Back-to-School Spirit Week Champions!** **Congratulations to the sixth graders!** We hope you enjoyed your special treat! Thanks to those of you who participated all week long. **Go Cougars!**
