Google Classroom code: t46b2lz6

Objectives

Stakeholders from across the state of Arizona convened during the summer of 2019 to outline seal objectives and pathway requirements. The goals of the Arizona State Seal of Arts Proficiency are to:

- Celebrate students who demonstrate elevated levels of proficiency in the Arizona Arts Education Standards through personal expression and creative experiences in arts education programs
- Identify pathways of artistic literacy that cultivate skills for 21st-century success
- Prepare students for college and career readiness, including active participation in the creative industries sector
- Promote increased access to well-rounded, high-quality arts education across the state

Students need to accumulate 60 hours in the arts outside of school. Senior year, students do a Capstone Project and work with a mentor teacher to present something in their chosen art form. This is open to all students in music, drama, art and dance. Students must have FOUR fine arts credits by the time they graduate. The google classroom has more information as well as all forms. Please talk to your arts teacher if you have any questions.
