Student Code of Conduct

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact the Weslaco ISD at 956-969-6500 and ask to be connected to your child’s campus.

Purpose

The Student Code of Conduct (“Code of Conduct”), as required by [Chapter 37](#) of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, In School Suspension (ISS), Out-of-School Suspension (OSS), placement in a Campus Alternative Education Program (CAEP), Disciplinary Alternative Education Program (DAEP), placement in the Hidalgo County Juvenile Justice Alternative Education Program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Weslaco Independent School District (WISD) board of trustees and developed with the advice of the Texas Association of School Boards (TASB) and district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code of Conduct remains in effect during summer school and at all school-related events and activities within the district and outside the district, until the board adopts an updated version of the Student Code of Conduct.

In accordance with state law, the Student Code of Conduct shall be posted on the district's website and be posted at each school campus website and shall be available for review at the campus principal's office. Additionally, the Student Code of Conduct shall be available at the campus behavior coordinator's office. Parents shall be notified of any conduct violation that may result in a student being placed in ISS, Suspended, placed in a Campus Alternative Education Program (CAEP), a District Alternative Education Program (DAEP) or the County of Hidalgo Juvenile Justice Alternative Education Program (JJAEP), expelled, and or taken into custody by a law enforcement officer under [Chapter 37](#) of the Education Code.

Not later than the first day of the 2025-2026 school year, the Texas Education Agency (TEA) shall prepare and provide to each school district a report identifying each law relating to school discipline that was amended or added by the 89th Legislature, Regular Session, 2025. A school district shall provide to each student and the parent of or person standing in parental relation to the student the prepared report.

Because the Student Code of Conduct is adopted by the district's board of trustees, it has the force of policy. In the event of a conflict between the Student Code of Conduct and the Student Handbook, the Code of Conduct shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law ([Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973](#)) is subject to the provisions of those laws.

School District Authority and Jurisdiction

13. When the student is required to register as a sex offender.

As required by law, a single person at each campus must be designated to serve as the campus behavior coordinator (CBC). The designated person may be the principal, or any other campus administrator selected by the principal. Additional staff members may assist the CBC in the performance of the CBC's duties, provided that the CBC personally verifies that all aspects of [Chapter 37, Subchapter A](#) are appropriately implemented. The CBC is primarily responsible for maintaining student discipline. The CBC shall monitor disciplinary referrals and report the following behavior to the campus's threat assessment and safe and supportive school team:

The district has the right to search a vehicle driven to school by a student and parked on school property or within 300 feet of the campus closet point whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Security Cameras

To help provide a safe, supportive and drug free learning environment security cameras will be used district wide including district vehicles in accordance with the law.

Reporting Crimes

The principal or CBC and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

The SRO must meet the standards and training as required by law; must take the School Base Law Enforcement classes, and take the ALERRT Training. Under the Student Code of Conduct in compliance with Ch. 37 the SROs will not perform any administrative duties at any time. Secondary campuses will be assigned School Resource Officers, who will be responsible for safety and crime prevention in schools. They will also mentor and conduct presentations on youth-related issues.

Notification

The CBC shall promptly notify a student's parent or guardian by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a CAEP, DAEP, placement in a JJAEP, or expulsion. The behavioral agreement must specify the responsibilities of the student and parent/guardian. If followed, the agreement may result in a reduced disciplinary placement period, as outlined in the agreement. Reduction in the disciplinary placement period does not entitle the student to different disciplinary placement. The decision to reduce, revoke, or amend the disciplinary placement period is at the sole discretion of the school administration. Compliance with the agreement is required for the reduction to remain valid. WISD has adopted a policy for parental involvement in school disciplinary placements under [Education Code 37.0014](#).

A bus driver may refer a student to the principal's office or the CBC's office to maintain effective discipline on the bus. The principal or CBC must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

To transport students safely, the vehicle operator must focus on driving and not be distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or **the CBC may restrict or revoke a student's transportation privileges, in accordance with law.**

School District Authority and Jurisdiction

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the CBC's office as a discipline management technique. The CBC shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for behavior that violates this Code of Conduct to maintain effective discipline in the classroom.

Formal Teacher Removal

A teacher may initiate a formal removal from class if:

1. A student's behavior repeatedly interferes with the teacher's ability to teach the class or with other students' ability to learn.
2. A student demonstrates behavior that is unruly, disruptive, or abusive toward the teacher, another adult, or another student in the classroom.
3. A student engages in conduct that constitutes bullying, as defined by [Education Code 37.0832.0](#).

A teacher, CBC, or other appropriate administrator must notify a parent or person standing in parental relation to the student of the formal removal. A teacher may remove a student from class based on a single incident of behavior.

Within three school days of the formal removal, the CBC or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the CBC or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the CBC or other administrator may place the student in:

- Another appropriate classroom.
- ISS.
- Out-of-school suspension.
- CAEP
- DAEP
- JJAEP

A teacher or administrator must remove a student from class if the student engages in behavior that under the [Education Code](#) requires or permits the student to be placed in a CAEP or DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on CAEP or DAEP or expulsion shall be followed.

School District Authority and Jurisdiction

Returning a Student to the Classroom

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's written consent.

A student who has been formally removed by a teacher **for any other conduct** may not be returned to the teacher's class without the teacher's written consent unless the placement review committee determines that the teacher's class is the best or only alternative, and not later than the third class day after the day the student was removed from class, a conference in which the teacher was provided an opportunity to participate has been held. The student may not be returned to the teacher's class unless the teacher provides written consent for the student's return or a return to class plan has been prepared for that student.

Appeals of Formal Teacher Removals

A student may appeal the teacher's removal of the student from class to the school's placement review committee or the campus's threat assessment and safe and supportive school team, in accordance with a district policy providing for such an appeal to be made to this team.

School District Authority and Jurisdiction

In-School Suspension

An in-school suspension is not subject to any time limit.

A school's principal or other appropriate administrator shall review the in-school suspension of a student at least once every 10 school days after the date of the suspension begins to evaluate the educational progress of the student and to determine if continued in-school suspension is appropriate.

During in-school suspension, a student shall receive appropriate behavioral support services and comparable educational services as the student would receive in the classroom. If the student receives special education services, the student must continue to receive special education and related services specified in the student's individualized education program (IEP) and continue to have an opportunity to progress in the general curriculum.

[See First-Time Offense of Possession or Use of Nicotine Delivery Product or E-Cigarette for limitations to the general rule.]

Process

Before being suspended, a student shall have an informal conference with the CBC or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The CBC shall determine the number of days of a student's suspension.

In deciding whether to order in-school suspension, the CBC shall take into consideration:

1. Self-defense [see Glossary];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

School District Authority and Jurisdiction

Out-of-School Suspension

Misconduct

Students may be suspended for behavior listed in the Code of Conduct as a general conduct violation, CAEP or DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students below grade 3 unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in [Penal Code sections 46.02 or 46.05](#);
- Conduct that threatens the immediate health and safety of other students in the classroom;
- Documented conduct that results in repeated or significant disruption to the classroom; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a CAEP or DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be assigned to out-of-school suspension for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the CBC or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The CBC shall determine the number of days of a student's suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the CBC shall take into consideration:

1. Self-defense [see Glossary];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or

School District Authority and Jurisdiction

6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Alternative Assignment

A parent, guardian or person standing in parental relation to the student may submit a written request to the principal or other appropriate administrator to reassign a student placed in out-of-school suspension. The parent, guardian or person standing in parental relation to the student must provide information and documentation that they are unable to provide suitable supervision for the student during school hours during the period of the suspension. It is the sole discretion of the principal or other appropriate administrator to reassign the student placed in out-of-school suspension.

Coursework During Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension.

A student removed from the regular classroom will have an opportunity before the beginning of the next school year to complete each course the student was enrolled in at the time of removal. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

School District Authority and Jurisdiction

Disciplinary Alternative Education Program (DAEP) Placement or Campus Alternative Education Program (CAEP) Placement

The CAEP or DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a CAEP or DAEP with a student who is not an elementary school student.

For purposes of CAEP or DAEP, elementary classification shall be kindergarten-grade 5 and secondary classification shall be grades 6-12.

Summer programs provided by the district shall serve students assigned to a CAEP or DAEP in conjunction with other students or depending on their violation the district shall serve students assigned to a CAEP or DAEP separately from those students who are not assigned to the program

A student who is expelled for an offense that otherwise would have resulted in a CAEP or DAEP placement does not have to be placed in a CAEP or DAEP in addition to the expulsion.

In deciding whether to place a student in a CAEP or DAEP, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

1. Self-defense [see Glossary];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in CAEP or DAEP Placement

A student may be placed in a CAEP or DAEP for behaviors prohibited in the General Conduct Violations section of this Code of Conduct.

See First-Time Offense of Possession or Use of Nicotine Delivery Product or E-Cigarette for additional information.

In accordance with state law, a student **may** be placed in a CAEP or DAEP if the superintendent or the superintendent's designee has reasonable belief [see Glossary] that the student **engaged in conduct punishable as a felony that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process. Aggravated robbery or felonies listed as offenses in Title 5 [see Glossary] of the Penal Code are punishable as mandatory expulsions.**

The CBC **may** place a student in a CAEP or DAEP for off-campus conduct for which CAEP or DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires CAEP or DAEP Placement

A student **must** be placed in a CAEP or DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. [see Glossary]

[School-related felony drug offenses are addressed in Expulsion.] [See Glossary for "under the influence," "controlled substance," and "dangerous drug."]
- Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or THC. A student with a valid prescription for low-THC cannabis as authorized by [Chapter 487 of the Health and Safety Code](#) does not violate this provision.
- Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

School District Authority and Jurisdiction

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a CAEP or DAEP.

Process

Removals to a CAEP or DAEP shall be made by the CBC.

Conference

When a student is removed from class for a CAEP or DAEP offense, the CBC or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and, in the case of a teacher removal, the teacher.

At the conference, the CBC or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a CAEP or DAEP, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

1. Self-defense [see Glossary];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

Placement Order

After the conference, if the student is placed in a CAEP or DAEP, the CBC shall write a placement order. A copy of the CAEP or DAEP placement order and information for the parent or person standing in parental relation to the student regarding the process for requesting a full

School District Authority and Jurisdiction

individual and initial evaluation of the student for purposes of special education services shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by [Section 52.04 of the Family Code](#).

If the student is placed in a CAEP or DAEP and the length of placement is inconsistent with the guidelines included in this Code of Conduct, the placement order shall give notice of the inconsistency.

CAEP or DAEP at Capacity

If a CAEP or DAEP is at capacity at the time the CBC is deciding placement for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in ISS then transferred to a CAEP or DAEP for the remainder of the period if space becomes available before the expiration of the period of the placement.

If a CAEP or DAEP is at capacity at the time the CBC is deciding placement for a student who engaged in violent conduct, a student placed in a CAEP or DAEP for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical may be placed in ISS to make a position in the CAEP or DAEP available for the student who engaged in violent conduct. If a position becomes available in a CAEP or DAEP before the expiration of the period of the placement for the student removed, the student shall be returned to a CAEP or DAEP for the remainder of the period.

Coursework Notice

The parent or guardian of a student placed in CAEP or DAEP shall be given written notice of the student's opportunity to complete, at no cost to the student, a foundation curriculum course in which the student was enrolled at the time of removal, and which is required for graduation. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The CBC shall determine the duration of a student's placement in a CAEP or DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of CAEP or DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a CAEP or DAEP shall not count toward fulfilling the total number of days required in a student's CAEP or DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to CAEP or DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

School District Authority and Jurisdiction

Exceeds One Year

Placement in a CAEP or DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a CAEP or DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who are in a CAEP or DAEP placement for certain violations for mandatory removals at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a CAEP or DAEP to extend beyond the end of the school year, the CBC or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others; or
2. The student has engaged in serious or persistent misbehavior [see Glossary] that violates the district's Code of Conduct.

Exceeds 60 Days

For placement in a CAEP or DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a CAEP or DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the central administration office or online at the District's Webpage and or at your child's campus.

Appeals shall begin at a Level One Hearing with the campus administration, If the results from the Level I hearing are not to your satisfaction a Level Two hearing can be requested with the Superintendent's Designee. If the Level II Hearing results are not to your satisfaction a Level Three hearing before the Weslaco ISD Board of Trustees can be requested through the Superintendent's Office.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a CAEP or DAEP cannot be appealed beyond the board.

Restrictions During Placement IN CAEP or DAEP

State law prohibits a student placed in a CAEP or DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

School District Authority and Jurisdiction

A student placed in CAEP or DAEP may be provided transportation.

The district reserves the right to determine, on a case-by-case basis or placement order, whether seniors who are eligible to graduate and are assigned to a CAEP or DAEP at the time of graduation will be permitted to participate in the graduation ceremony or related activities. Seniors assigned to a CAEP or DAEP for mandatory reasons, as defined by state law or district policy, shall be prohibited from participating in graduation ceremonies and activities. Final decisions regarding participation rest with the campus principal in consultation with the Superintendent or designee, and written notification of the decision shall be provided to the student and parent/guardian prior to graduation.

Placement Review

A student placed in a CAEP or DAEP shall be provided a review of his or her status, including academic status, by the CBC or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a CAEP or DAEP the student engages in additional misconduct for which placement in a CAEP or DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the CBC may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a CAEP or DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication [see Glossary], or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a CAEP or DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

School District Authority and Jurisdiction

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parents/guardians may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

When a student violates the district's Student Code of Conduct in a way that requires or permits the student to be placed in a CAEP or DAEP and the student withdraws from the district before a placement order is completed, the CBC may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the CBC or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall decide on a case-by-case basis on the seriousness of the violation whether to continue the placement of a student who enrolls in the district and was assigned to a CAEP or DAEP in an open-enrollment charter school or another district including a district in another state. The district may place the student in the district's CAEP or DAEP or a regular classroom setting.

When a student enrolls in the district with a CAEP or DAEP placement from a district in another state, the district has the right to place the student in CAEP or DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for CAEP or DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees, or if the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a CAEP or DAEP.

School District Authority and Jurisdiction

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a CAEP or DAEP. [See policy FOCA(LEGAL) for more information.]

School District Authority and Jurisdiction

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the [Education Code](#) provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the student shall be placed in either CAEP, DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the student may be placed in CAEP, DAEP or JJAEP for one semester or placed in a regular classroom. The student may not be placed in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers;
2. Will be detrimental to the educational process; or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Students

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent or guardian may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

School District Authority and Jurisdiction

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the CBC shall take into consideration:

1. Self-defense [see Glossary];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a CAEP or DAEP, whether or not a student is expelled. [see Campus Alternative Education Program (CAEP) or Disciplinary Alternative Education Program (DAEP) Placement]

Any Location

A student **may** be expelled for:

- Engaging in bullying that encourages a student to die by suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Criminal mischief, if punishable as a felony.

- Engaging in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school, depending on the seriousness of the violation, the disruption of the education environment.

At School, Within 300 Feet, or at a School Event

A student **may** be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of any amount of marijuana, a controlled substance, or a dangerous drug, unless the conduct is punishable as a felony. A student with a valid prescription for low-THC cannabis as authorized by [Chapter 487 of the Health and Safety Code](#) does not violate this provision. [See Glossary for "under the influence."]

School District Authority and Jurisdiction

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in deadly conduct. [see Glossary]

While in a CAEP or DAEP

A student may be expelled for engaging in documented serious misbehavior that violates the district's Code of Conduct, despite documented behavioral interventions while placed in a CAEP or DAEP. For purposes of discretionary expulsion from a CAEP or DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by [Penal Code 1.07](#); or

Under Federal Law

Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. [see Glossary]

School District Authority and Jurisdiction

School District Authority and Jurisdiction

Under Age 10

When a student under the age of 10 engages in behavior that is expellable behavior, the student shall not be expelled but shall be placed in a CAEP or DAEP. A student under age six shall not be placed in a CAEP or DAEP unless the student commits a federal firearm offense.

Virtual Expulsion Program

In some circumstances, a student may be placed in a virtual expulsion program.

- The school must ensure students in the program have the necessary technology and internet and must provide it if needed.
- The virtual program must, as much as possible, meet the same requirements as an in-person disciplinary alternative education program (CAEP or DAEP).
- The student's placement must be reviewed every 45 school days.
- If an in-person spot becomes available, the school should plan the student's return to in-person learning.
- If continued virtual placement is appropriate, the school must document the decision.

Consideration of Virtual Education as Alternative to Expulsion

Before a school district may expel a student, the district must consider the appropriateness and feasibility of, as an alternative to expulsion, enrolling the student in a full-time hybrid program, full-time virtual program, full-time hybrid campus, or full-time virtual campus. This requirement does not apply to a student expelled under [Education Code 37.0081 or 37.007\(a\), \(d\), or\(e\)](#).

Process

If a student is believed to have committed an expellable offense, the CBC or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parents or guardians shall be invited in writing to attend the hearing.

Until a hearing can be held, the CBC or other administrator may place the student in:

- Another appropriate classroom.
- ISS.
- Out-of-school suspension.
- CAEP.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process according to board policy. The student is entitled to:

1. Representation by the student's parent, guardian or another adult who can provide guidance to the student and who is not an employee of the district;
2. An opportunity to testify and to present evidence and witnesses in the student's defense;
and

School District Authority and Jurisdiction

3. An opportunity to question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees shall delegate to the Superintendent or their designee the authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. **Consequences shall not be deferred pending the outcome of the hearing.**

Expulsion Order

Before ordering the expulsion, the Superintendent or their designee shall take into consideration:

1. Self-defense [see Glossary];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

If the student is expelled, the Superintendent or their designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the Superintendent or their designee shall deliver to the juvenile court a copy of the expulsion order and the information required by [Section 52.04 of the Family Code](#).

If the length of the expulsion is inconsistent with the guidelines included in the Code of Conduct, the expulsion order shall give notice of the inconsistency.

School District Authority and Jurisdiction

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

- 1. The student is a threat to the safety of other students or to district employees; or**
- 2. Extended expulsion is in the best interest of the student.**

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student's conduct requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the CBC or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a CAEP or DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the CBC or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

Depending on the seriousness of the student's violation the district shall review on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in the district. The district can uphold the expulsion or rescind it.

School District Authority and Jurisdiction

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a CAEP or DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order; and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a CAEP or DAEP, the district shall reduce the period of the expulsion or CAEP or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees; or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Emergency expulsion may be ordered based on a single incident of behavior by the student. Within 10 days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

CAEP or DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a CAEP or DAEP; however, educational services in the CAEP or DAEP must be provided if the student is less than 10 years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a CAEP, DAEP or JJAEP. See policies FOCA(LEGAL) and FODA(LEGAL) for more information.

Certain Felonies

Regardless of whether CAEP, DAEP, JJAEP or placement or expulsion is required or permitted by one of the reasons in the CAEP, DAEP, JJAEP or Placement or Expulsion sections, in accordance with [Education Code 37.0081](#), a student may be expelled and placed in either CAEP, DAEP or JJAEP if the board or CBC makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 [see Glossary] of the Penal Code. The student must have:

- Received deferred prosecution for conduct defined as aggravated robbery or a [Title 5 felony](#) offense;
- Been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a [Title 5 felony](#) offense;

School District Authority and Jurisdiction

- Been charged with engaging in conduct defined as aggravated robbery or a [Title 5 felony](#) offense;
- Been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a [Title 5 felony](#) offense; or
- Received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred;
2. The location at which the conduct occurred;
3. Whether the conduct occurred while the student was enrolled in the district; or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers;
2. Will be detrimental to the educational process; or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school;
2. The charges are dismissed or reduced to a misdemeanor offense; or
3. The student completes the term of the placement or is assigned to another program.

Placement Review

A student placed in a CAEP, DAEP or JJAEP under this section is entitled to a review of his or her status, including academic status, by the CBC or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.
