

Music Boosters - MEMBERSHIP

Enhancing and supporting the Music Program at Aragon High School

The Aragon Music Boosters is requesting all participating students' families to help support Aragon High School music programs. These include over 350 students across 11 classes (3 Bands, 2 Jazz Bands, 3 Orchestras, 3 Choirs, and 3 Music Teachers). Your generous donations are used for expenses not covered by the district.

Your ensemble donations and membership is crucial for providing necessary funds and support including:

- purchase and repair of instruments
- sheet music
- hiring coaches and guest clinicians
- attendance and bus transportation to music festivals
- provide student support for music performance trips
- coordinate concert attire for 250+ students
- provide volunteer support for 12 school concerts
- classroom supplies
- special requests from music teachers to maintain the programs' success
